

PTO General Meeting May 4, 2026

Welcome and introductions.

Guest Speaker Presentation – NP Specialists Katrina Davis (Science), Dean Downs (PE), Bethany Rodeck (Art), and Ray Roettger-Limp (Music)

- Science curriculum materials : Discovery Education and Science Techbook
- Art uses the same materials each year, but students learn new techniques
- Music introduces global songs and dances
- In PE students learn to enjoy sports, activity, and movement and work on team buildings
- PE Announcement – May 22nd will be the Field day during grade specialist time for K-3

Principal's Report – Tyler Nelson

- Watch the calendar and newsletter for all the events happening at school
- DIBELS started this week
- MCA testing is done
- MAP testing will take place toward the end of May
- A big thank you for the PTO for all the Teacher Appreciation events and treats

Treasurer's Report- Maria O'Reilly

- We are on track for the planned budget expenditures
- Tri 3 is when we reimburse NP for all the field trips and other big expenditures
 - This will be about \$10,000
- We estimate the year end balance of the PTO will leave ~\$10,000 in the bank

President's Report – Kristin Madsen

- This week is Staff Appreciation Week
 - includes grab and go treats, a rock, paper, scissors challenge, raffle drawings, and beverage stations
- Coin Competition is coming up – May 18-22

Volunteer Opportunities
