

BOND UPDATES

tomballisd.net/bond

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

Thank you for your continued support in making these improvements possible!

Tomball West High School

Bond 2021

Facility - Ongoing Construction

- Construction of Tomball West High School continues to progress as planned.
- Artificial turf surfaces are now installed on the football, baseball, and softball fields. The track around the football field is now complete. Exterior is complete with interior near completion with the exception of the Auditorium.

Agricultural Project Barn & Competitive Soccer Field

- As of April 15th, the pre-engineered metal building structure has been erected and was ready for roofing panels.
- The soccer field house exterior is nearing completion and sod for the field surface is being laid.

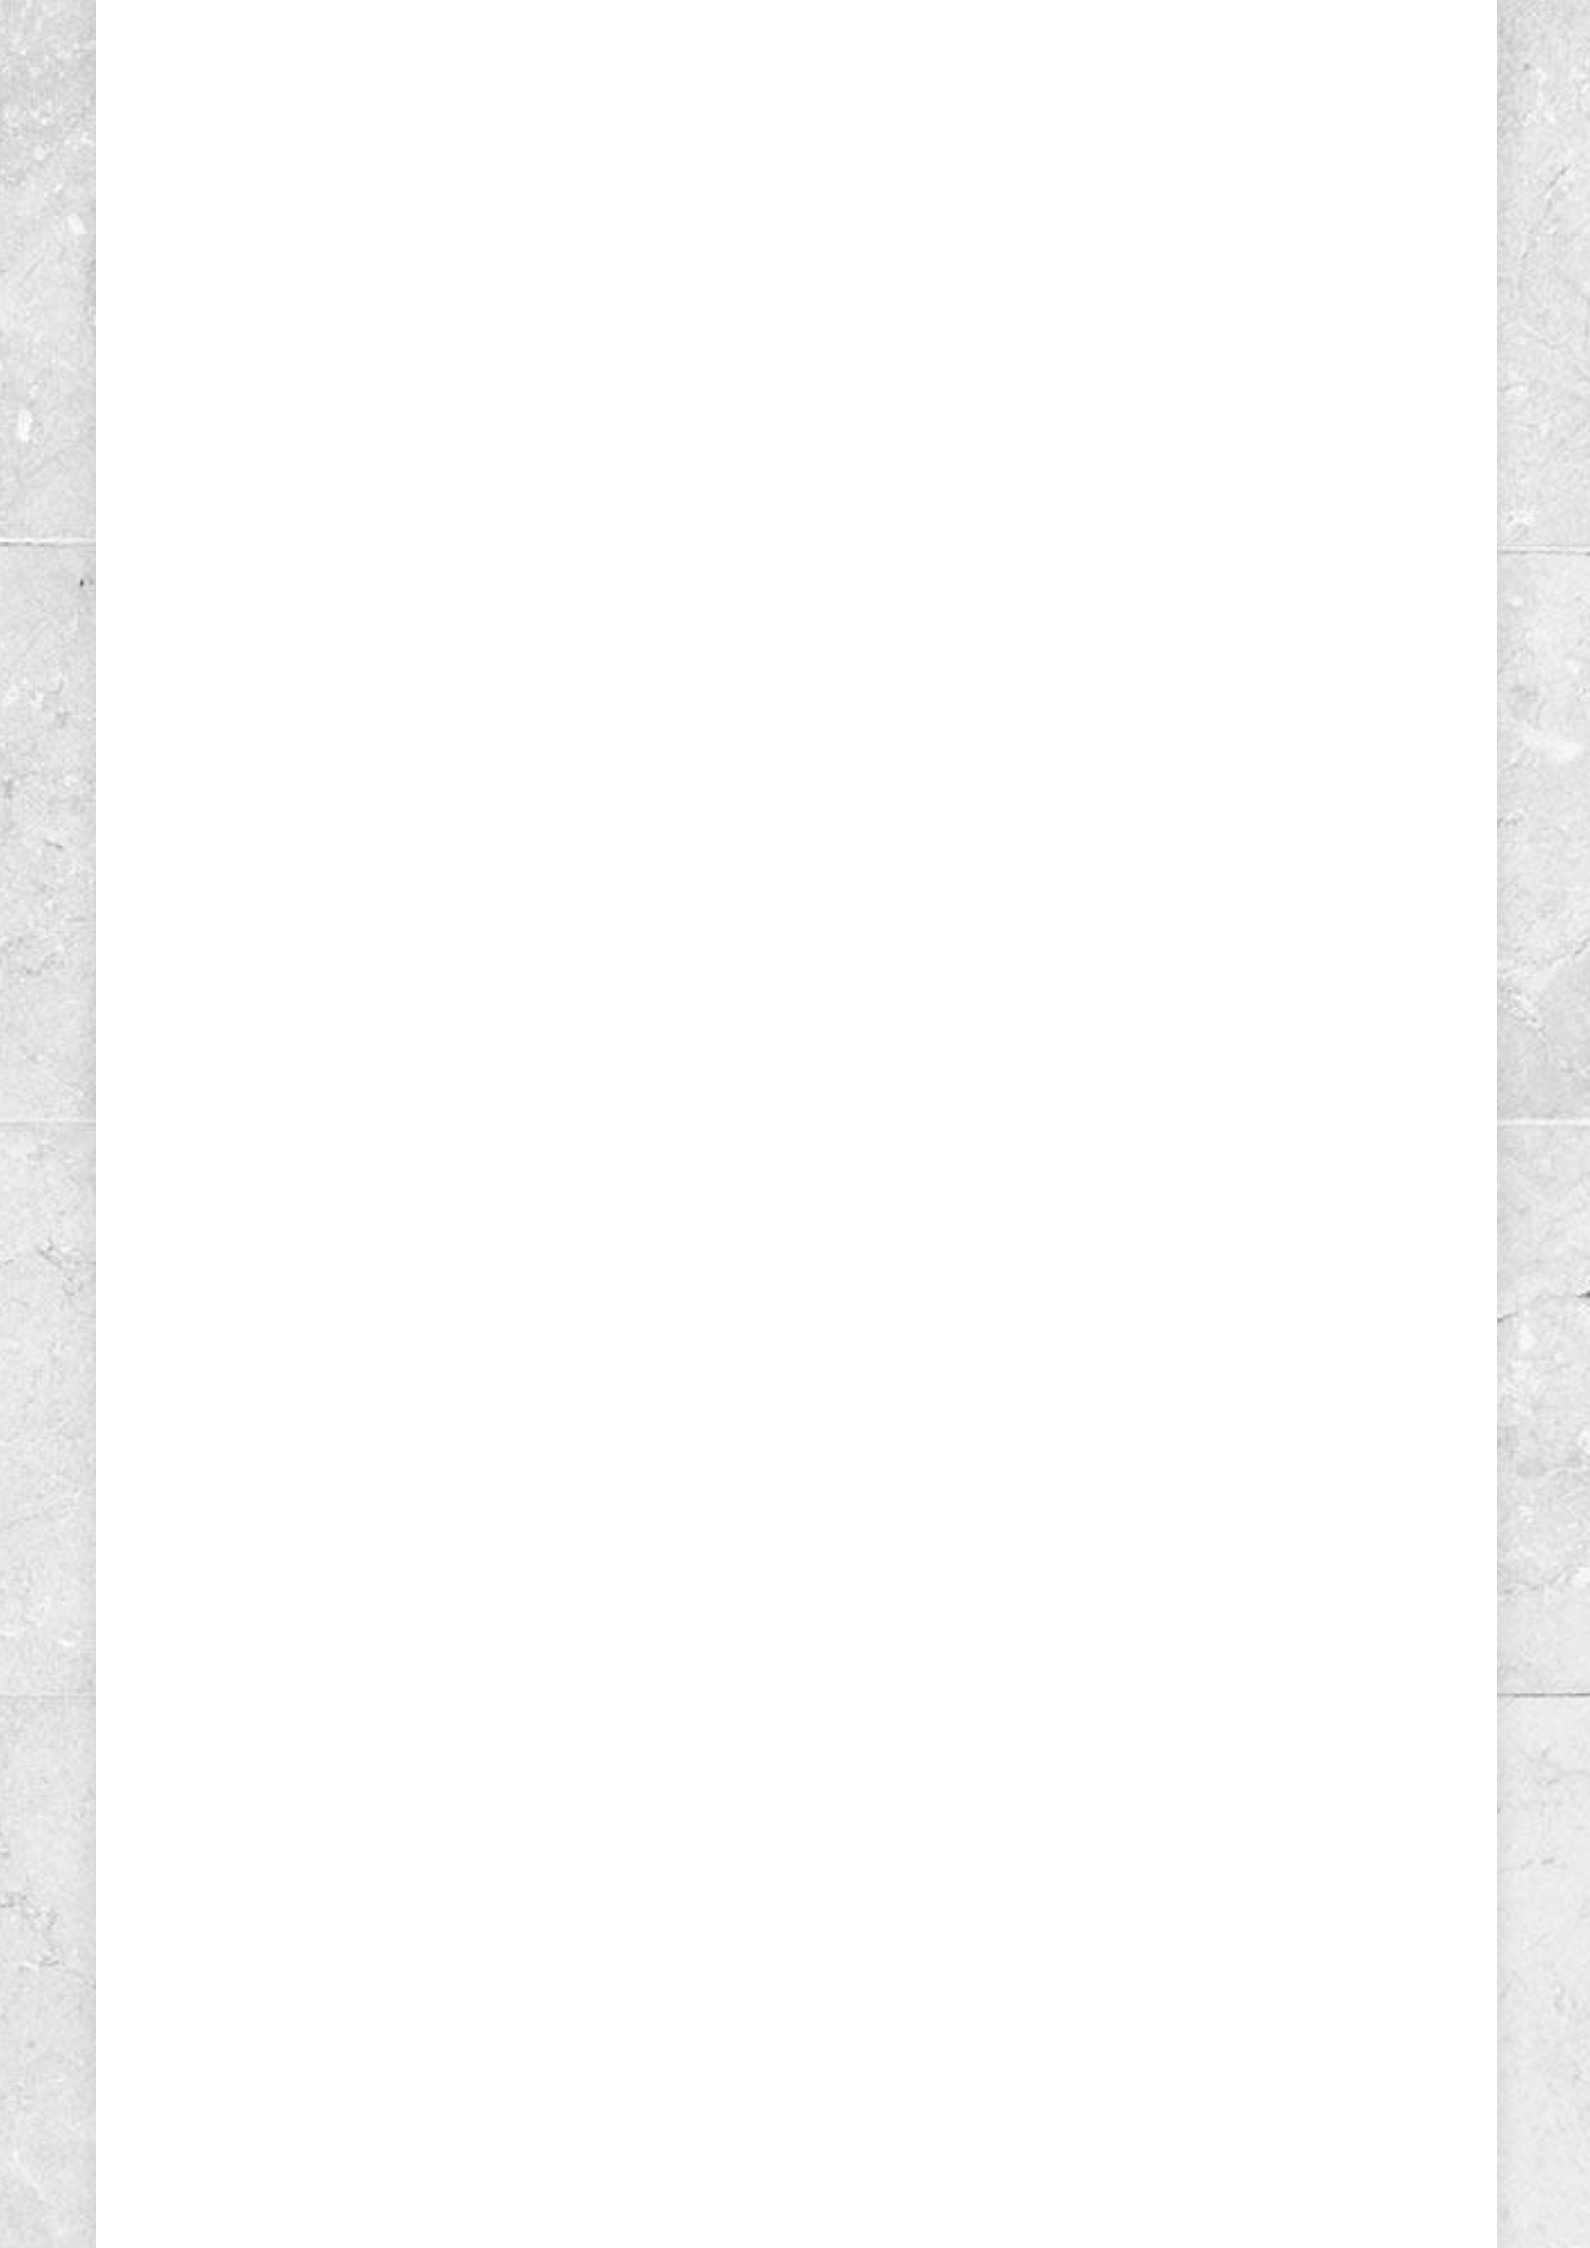

Traffic Light at Mueschke Road - West Complex Site Development

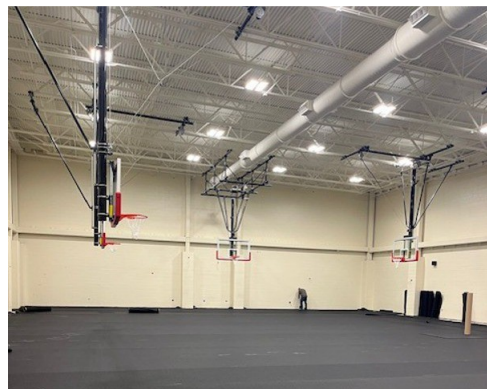

- While Destination Drive will serve as the main entrance to Tomball West High School, the entrances will be used for construction traffic only until the campus is opened in August 2026.
- Access for thru-traffic to West Elementary and West Intermediate will not be available.

Creekside Park 5th Grade Addition

Bond 2021

- Construction on the 5th grade addition continues to progress as planned.
- Contractors have made significant progress over the last month to get the cafeteria expansion dried in. Additionally all infrastructure equipment has gone through the startup and testing phase.

New Tomball Intermediate School

Bond 2025

- Huckabee has completed the design development phase and moved into the construction documents phase of the project.

- During the construction documents phase, all architectural, structural, civil, mechanical, electrical, plumbing, and life-safety components are finalized and developed into detailed drawings and written specifications that will be used to price, permit, and construct the facility.

TOMBALL INTERMEDIATE SCHOOL REPLACEMENT, TOMBALL INDEPENDENT SCHOOL DISTRICT

FRONT ENTRY

Athletic Updates

- During the April 2026 Board meeting, the Board of Trustees approved the purchase and replacement of the field turf and track surface at Tomball High School.
- The turf and track are scheduled to be replaced during Summer 2026 and will be ready for use this August, a full year ahead of our original schedule.

Facility Infrastructure Replacements

Bond 2025

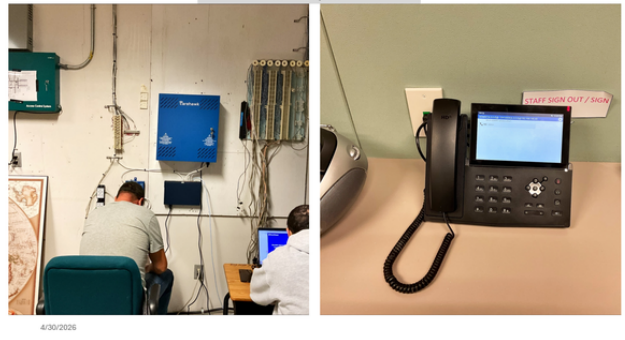

- No new infrastructure projects were approved by the Tomball ISD Board of Trustees in April, but a number of previously approved projects have been completed or are nearing completion including:
 - Tomball High School Fieldhouse HVAC - **99% Complete**
 - Tomball Junior High HVAC - **Completed**
 - Tomball High School Chiller Rebuild - **Completed**
 - High Volume Low Speed Fan Replacements - **Completed**
 - Smoke Detector Replacements (3 Campuses) - **Completed**
 - PA System Replacements (4 Campuses) - **Completed**

New Automated logic controllers, panels, and units are getting wired up

Buses and White Fleet Vehicles Bond 2025

- In August 2025, the Tomball ISD Board of Trustees approved the purchase of 52 new school buses and white fleet vehicles.
- As of April 2026, all buses and white fleet vehicles have been received and placed into service.

Multi-Program Activity Centers (MPACs)

Bond 2025

- PBK has completed the schematic design phase of the Multi-Program Activity Centers project, and moved into design development.
 - This phase will refine the conceptual design into detailed plans that integrate structural, mechanical, electrical, and plumbing systems as well as final material selections.
