I am very excited to begin my coaching career at Rancho Mirage High School. I am looking forward to contributing to the winning tradition and the high standards that Rancho Mirage High School has in place.

I was born in Palm Springs and raised in Desert Hot Springs where I attended Desert Hot Springs High School. While attending DHSHS I participated in track and field and played football under Coach Matthews. It was during this time I developed a passion for the game of football. I was a three-year varsity starting offensive linemen and a two-year captain of the football team.

After graduating in 2014, I stepped away from the game of football to begin working. While accomplishing many goals in the workforce I made a decision to go back to school in 2021. I attended College of the Desert from 2021-2023 where I earned an Associate Degree in History. With that degree I transferred to California State University, San Bernardino where I earned my Bachelor of Arts degree in History in May of 2026. I am currently enrolled in the teaching credential program at CSUSB which will begin Fall 2026. I am looking forward to completing the credential program which will allow me to teach history. I plan to pair teaching history with coaching here at Rancho Mirage High School.

Having the opportunity to coach here at Rancho Mirage High School is incredibly rewarding, and I am excited to support student athletes in their growth both as competitors and as individuals. GO RATTLERS!!!
