MESSAGE FROM MRS. BEEM

Hello Country View Families! I hope this message finds you enjoying the beautiful transition into spring! As we enter the final month of the school year, our hallways are buzzing with a special kind of energy. May is a time for reflection, celebration, and a final push of purposeful learning.

Celebrating a Year of Growth: Looking back at where we started in September, the transformation in our students is truly remarkable. Our second year with the Savvas literacy curriculum has been a resounding success. We have watched our students evolve from emergent readers into confident researchers and storytellers.
Finishing Strong: While the weather is getting warmer and summer plans are being made, we remain committed to high-level instruction until the very last bell. These final weeks are vital for "locking in" the skills learned this year.

Consistent attendance remains our top priority. The final units of our curriculum are designed to tie all the year's concepts together. When students are present, they get to participate in the end-of-year collaborative projects that serve as the perfect bridge to their next academic chapter.

It is a privilege to watch your children grow, and I look forward to a fantastic May together at Country View!
Warmly,
Ms. Beem
