ITEM TITLE: Public Hearing and Approval of Resolution 13-2025 for Support of Application for Eligibility Determination and Funding; Designation of Authorized District Representatives

BACKGROUND INFORMATION

Cabrillo Unified School District is committed to pursuing available funding opportunities to support school infrastructure and educational programs. The State Allocation Board (SAB), in coordination with the Department of General Services (DGS), administers various funding programs designed to assist school districts in maintaining and improving educational facilities. To access these funds, school districts must file applications for eligibility determination and funding, as well as certify relevant information.

REPORT/PROPOSAL

A requirement for participating in these programs is the adoption of a resolution by the Governing Board in support of the applications. Resolution No. 13-2025 satisfies this requirement by affirming the District's intent to submit applications under one or more SAB-administered programs. Additionally, the resolution designates specific District representatives who are authorized to sign and submit necessary documentation on behalf of the District.

As required by Education Code Section 101460(b)(1)(A), the Governing Board is holding a public hearing to solicit input from the community regarding the proposed facility projects prior to taking action on the resolution.

FISCAL ANALYSIS

The specific fiscal impact will depend on the level of funding awarded through the application process. Approval of this resolution enhances CUSD's ability to secure external funding, maximizing financial efficiency while supporting long-term essential facility improvements.

RECOMMENDATION

It is recommended that the Governing Board approve Resolution No. 13-2025 to facilitate the District's participation in SAB-administrated funding programs.

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Jennifer Marsh, Chief Business Officer
CATEGORY: Resolution/Action
ITEM TITLE: Approval of Resolution No. 14-2025 State Allocation Board and School Facility Program Beyond Bond Authority Acknowledgement

BACKGROUND INFORMATION

The Cabrillo Unified School District continues to prioritize the improvement of learning environments and safety for students and staff across all school sites. To achieve this, the District has submitted several funding applications to the State Allocation Board (SAB) under the State School Facility Program (SFP) for both new construction and modernization projects.

In recent years, the demand for state matching funds for school facility improvements has exceeded the available bond authority approved by California voters. As a result, the SAB has developed an “Applications Received Beyond Bond Authority” list. This list includes projects that have been received and approved for processing but cannot currently be funded due to the exhaustion of available state bond funds.

REPORT/PROPOSAL

Resolution No. 14-2025 formally acknowledges that the CUSD “Applications Received Beyond Bond Authority” resolution also applies to any future applications for other school sites or projects deemed necessary by the District.

This action ensures that the District remains compliant with California Code of Regulations, Title 2, Section 1859.95.1 and demonstrates the District's commitment to pursuing all potential avenues of funding in the ongoing effort to modernize and maintain high-quality educational facilities.

FISCAL ANALYSIS

Submitting applications for funding under the State School Facility Program (SFP) places Cabrillo Unified School District projects on the Applications Received Beyond Bond Authority List. While this step is essential for establishing eligibility for potential future state funding, it does not guarantee funding at this time due to the current exhaustion of statewide bond authority.

RECOMMENDATION

It is recommended that the Governing Board adopt Resolution No. 14-2025, acknowledging the current status of the State School Facility Program (SFP) and the placement of the District’s applications on the “Applications Received Beyond Bond Authority” list.

i. **Other Leave**. The Superintendent shall be entitled to all other personal necessity, bereavement, or other leaves as provided to the District's certificated management employees.

j. **Written Records**. The Superintendent shall keep records of his use of vacation or other leave time. The Superintendent is expected to work a full workday and is expected to promptly account for absences of greater than one half of a workday as vacation time, sick leave, or other leave of absence.

5. <u>WORK RELATED EXPENSES</u>:

a. **Automobile Allowance.** The Superintendent is required to have a vehicle available at all times to perform the services and duties of the position. Therefore, the Superintendent shall be entitled to receive a monthly automobile allowance of Five Hundred Dollars ($500.00) for the acquisition, use, maintenance and insurance of an automobile while on all District business for business-related travel in-district and within 100 miles of the District's boundaries, irrespective of the number of miles traveled on District business. The Superintendent shall be solely responsible for all expenses to use, maintain, operate, and insure the automobile. No documentation is required in order to receive this allowance, and the Superintendent shall have discretion regarding the expenditure of this allowance. The Superintendent's receipt of this automobile allowance shall be in lieu of any entitlement to mileage reimbursement; however, the Superintendent shall be eligible for mileage reimbursement at the IRS rate for work-related travel outside of 100 miles from the District's boundaries.

b. **Community Engagement.** The Superintendent shall be entitled to receive a monthly community engagement allowance of Two Hundred and Fifty Dollars ($250) for expenses as Superintendent without the written authorization of the Board. The Superintendent shall have discretion regarding the expenditure of this allowance related to community engagement to support the partnership and collaboration with community and civic partnerships as part of his duties to engage with the community.

c. **Memberships**. The District shall pay the Superintendent's annual membership charges for up to three professional organizations, like ACSA, CALSA, etc. The District shall pay for the Superintendent to attend up to three regional, state, or national professional conferences each year. The Superintendent shall obtain written authorization of the Board, as set forth in Section 5(b) above, if the cost to attend a professional conference exceeds $1,500 in travel costs.

d. **Technology Devices**. The District shall provide to the Superintendent, at District expense, a cell phone and a laptop computer and/or tablet, hereinafter "Technology Devices." The District shall pay any costs and expenses associated with owning, licensing, operating, and maintaining such Technology Devices. This does not include costs associated with maintaining home internet access. All Technology Devices so provided are the property of the District, and the District shall have the right to control the access to, and use of, Technology Devices through its Board policies, including its technology use policies, personnel policies, and its risk management policies.

All District-provided Technology Devices are provided to facilitate performance of the Superintendent's duties and obligations as an employee of the District. The Superintendent may use District-provided Technology Devices for personal use within reasonable limits and in a manner consistent with Board policies, including its technology use policies, personnel policies, and its risk management policies. The Superintendent shall not use any Technology Device in any manner that is inconsistent with such policies.

When Technology Devices are provided by the District, the Superintendent shall not conduct District business on devices that are not provided or owned by the District.

The Superintendent hereby waives any and all rights and protections over the content of any Technology Device or other electronic device (e.g., cell phone, computer, tablet) on which he has conducted any District business, regardless of whether the device is provided by District pursuant to the Agreement. This waiver permits the Board or anyone authorized by the Board to examine the contents of any such device without requiring additional permission, including, but not limited to, a separate waiver or a warrant.

e. **Relocation Fee.** The District will pay a one-time relocation sum of $15,000 Fifteen Thousand Dollars i for moving expenses for the Superintendent's residence within the county to best serve the Cabrillo USD.

f. **TRANSPORTATION.** District shall pay Superintendent for travel expenses from his home residence to the District, not to exceed one round trip per month, and additionally other incidental travel required in the performance of his duties as Superintendent at the Federal Rate of Mileage reimbursement (currently .70/mile), regardless of the mode of transportation.

6. **EVALUATION:** On a mutually agreeable schedule, the Superintendent and the Board will jointly develop goals, objectives, and a job description. The Board shall evaluate the Superintendent's performance at least once a year based upon the goals, objectives, and job description as periodically established by the Board in consultation with the Superintendent. Any failure on the part of the Board to meet the requirements or deadlines set forth in this paragraph shall not release the Superintendent from fully and faithfully performing the services required to be performed under this Agreement or any applicable statute or regulation, or constitute a default by the District of its obligations under this Agreement.

7. **PROFESSIONAL DEVELOPMENT:** As part of the Superintendent's annual evaluation, there will be a discussion of professional development, and the

Superintendent and the Board shall identify the appropriate courses and activities which the Superintendent will complete as part of his professional development. A mentor/coach shall be provided for the superintendent during the term of this contract.

8. **NON-RENEWAL OF AGREEMENT:** Should the Board determine that it does not wish to negotiate and execute a new contract at the end of the term of this Agreement, the Board shall give written notice of the decision to the Superintendent at least forty-five (45) days prior to the end of the Agreement, as required pursuant to Education Code Section 35031. The Parties expressly agree to waive the term of the automatic renewal provision established in Education Code Section 35031. Rather, if Board fails to provide notice of non-renewal, the Agreement shall automatically be renewed on the same terms but only for a period of one year.

   Between ninety (90) days and one hundred and twenty (120) days prior to the end of the Agreement, Superintendent shall, in writing, remind each Board member of the Board's obligation under Education Code Section 35031 to give written notice of its decision to not renew the Agreement.

9. **TERMINATION OF AGREEMENT:** This Agreement may be terminated prior to the expiration of the contract term as follows:

   a. **Mutual Consent.** The Parties may terminate the Agreement at any time by written mutual consent. Allows for mutually termination of contract, plus for any separation compensation that both parties agree upon.

   b. **Resignation.** The Superintendent may resign and terminate this Agreement provided that, unless otherwise waived by the Board, the Superintendent shall give at least ninety (90) days advance written notice. Notwithstanding the provisions of Section 4(e) above, for each day less than ninety (90) days advance written notice, the Superintendent's unused vacation days shall be reduced by one day.

c. **Termination for Cause.** The Board may terminate the Agreement for cause. Cause is defined as: (1) breach of this Agreement; (2) failure by the Superintendent to possess or maintain a valid California Administrative Credential; (3) refusal or failure to act in accordance with a specific provision of this Agreement or a directive of a majority of the Board; (4) neglect of duty; (5) physical or mental inability of the Superintendent to perform his duties, with or without reasonable accommodations; (6) any other legally permissible reason, which includes but is not limited to conduct that is seriously detrimental to the District.

Notice of discharge for cause shall be given in writing, and the Superintendent shall be entitled to appear before the Board to discuss such causes. If the Superintendent chooses to be accompanied or advised by legal counsel at such meeting, the Superintendent shall bear any costs therein involved. Such meeting shall be conducted in closed session unless specifically prohibited by State law. The Superintendent shall have a reasonable opportunity to respond to all matters raised in the charges and to submit any written documents the Superintendent believes are relevant to the charges. The conference with the Board shall not be an evidentiary hearing and neither party shall have the opportunity to call witnesses. If the Board, after considering all evidence presented, decides to terminate this Agreement, it shall provide the Superintendent with a written decision.

d. **Termination Without Cause.** The Board may, for any reason, without cause or a hearing, terminate this Agreement at any time. In consideration for the exercise of this right, the District shall pay to Superintendent from the date of termination until the expiration of this Agreement, or for a period of twelve (12) months, whichever is less, a sum equal to the difference between the Superintendent's salary at the rate in effect during the Superintendent's last month of service and the amount which the Superintendent earns from any other employment-related source (whether as employee, independent contractor, consultant or self-employed). As a condition of payment, the

Superintendent shall be obligated to immediately seek other employment and to notify the District in writing immediately if the Superintendent earns income from any employment-related source as defined above.

For purposes of this Agreement, the term "salary" shall include only the Superintendent's regular monthly base salary and shall not include the value of any other stipends, reimbursements or benefits received under this Agreement. All payments made pursuant to this termination without cause provision shall be subject to applicable payroll deductions and shall be treated as compensation for state and federal tax purposes. No payments made pursuant to this early termination provision shall constitute creditable service or creditable compensation for retirement purposes. Payments made pursuant to this termination without cause provision shall be considered as final settlement pay and shall not count for any retirement purpose; accordingly, no deductions shall be made for retirement purposes.

The Superintendent shall also be entitled to District-paid health benefits, as those benefits may change from time-to-time, until expiration of this Agreement, a period of six (6) months, or until the Superintendent obtains other employment which provides health benefits of equal or better, whichever occurs first.

If the Superintendent is terminated without cause and elects to retire instead of fulfilling the Superintendent's obligation to seek other employment as set forth above, the parties agree that, effective upon the date of the Superintendent's retirement with the CalSTRS or CalPERS, the amount payable to the Superintendent as salary shall be rapid in full by the amount of retirement income earned by the Superintendent from CalSTRS or CalPERS.

The parties agree that any damages to the Superintendent that may result from the Board's early termination of this Agreement cannot be readily ascertained. Accordingly, the parties agree that the payments made pursuant to this

termination without cause provision, along with the District's agreement to provide paid health benefits, constitutes reasonable liquidated damages for the Superintendent, fully compensates the Superintendent for all tort, contract and other damages of any nature whatsoever, whether in law or equity, and does not result in a penalty. The parties agree that the District's completion of its obligations under this provision constitutes the Superintendent's sole remedy to the fullest extent provided by law. Finally, the parties agree that this provision meets the requirements governing maximum cash settlements as set forth in Government Code sections 53260, *et seq*.

10. **MEDIATION:** Should any dispute arise out of this Agreement, the Parties will meet in mediation and attempt to reach a resolution with the assistance of a mutually acceptable mediator. The costs of the mediator, if any, will be paid by the District. If a mediated settlement is reached, neither party will be the prevailing party for the purposes of this settlement. Neither party will be permitted to file legal action without first meeting in mediation and making a good faith attempt to reach a mediated resolution.

11. **REPAYMENT AFTER CRIMINAL CONVICTION:** If the Superintendent is convicted of a crime involving an abuse of his or her office or position, the Superintendent shall fully reimburse the District for any severance pay, paid leave salary disbursed pending an investigation, and/or legal criminal defense funds paid by the District. This provision expressly does not oblige the District to make any of these payments.

12. **MERGER CLAUSE:** This Agreement constitutes the sole agreement of the Parties hereto and correctly states the rights, duties, and obligations of each party. Any prior agreement, promises, negotiations or representations between the Parties not expressly stated in this document are not binding. All subsequent modifications will be in writing and signed by the Parties.

13. **APPLICABLE LAW:** This Agreement is subject to all applicable laws of the State of California, the regulations of the State Board of Education, and the rules, regulations, and policies of the District.

14. **TAX / RETIREMENT LIABILITY:** Notwithstanding any other provision of this Agreement, the District shall not be liable for any retirement or state/federal tax consequences to the Superintendent, any designated beneficiary, heirs, administrators, executors, successors, or assigns of the Superintendent. The Superintendent shall assume sole responsibility and liability for all state or federal tax consequences of this Agreement and all related payroll and retirement consequences, including, but not limited to, all tax and retirement consequences stemming from any payments made to the Superintendent as a result of the termination without cause provision of this Agreement, retirement payments, expense reimbursements, and payments for insurance. The Superintendent agrees to defend, indemnify, and hold the District harmless from all such tax, retirement, and similar consequences.

IN WITNESS WHEREOF, the parties hereto, or their duly authorized representative, affixed their hands.

ITEM TITLE: Ratification of Proclamation Recognizing April as National Autism Acceptance and Inclusion Month

BACKGROUND INFORMATION

According to the Centers for Disease Control and Prevention (CDC), an estimated 1 in 54 children is diagnosed with autism spectrum disorder (ASD). It is essential that students with ASD feel supported, included, and valued within our classrooms, workplaces, and communities. REPORT/PROPOSAL

April has long been recognized as National Autism Awareness Month. The Cabrillo Unified School District Governing Board reaffirms its commitment to fostering an inclusive environment where individuals on the autism spectrum are valued for their unique strengths and contributions. As a district, we strive to move beyond awareness and toward a culture of true acceptance and belonging for all individuals with autism.

WHEREAS, in his second year in office, President George Washington wrote a letter to the Touro Synagogue in Newport, Rhode Island, one of the first Jewish houses of worship in the United States of America, reaffirming the nation's commitment to religious freedom and noting that the government of the United States would give "to bigotry no sanction [and] to persecution no assistance" as he also emphasized that all Americans are entitled to "liberty of conscience and immunities of citizenship"; and

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Leticia Bhatia, Ed.D., Deputy Superintendent Educational Services
CATEGORY: Consent/Information
ITEM TITLE: Approval of Cabrillo Education Foundation MOU 2025-35

BACKGROUND INFORMATION

For the past 8 years, the Cabrillo Education Foundation (CEF) has collaborated with Cabrillo Unified School District (CUSD) to identify and fund key initiatives supporting Early Literacy, Science, and College and Career Readiness. Through its Endowment Fund, CEF provides long-term, stable funding to champion success across all CUSD schools.

REPORT/PROPOSAL

The proposed Memorandum of Understanding (MOU) between CEF and CUSD formalizes this partnership for the next ten years (2025-2035), clearly outlining the responsibilities, expectations, obligations, and rights of both organizations.

FISCAL ANALYSIS

In response to uncertain state and federal funding and rising operational costs, Cabrillo Unified School District has cultivated a valuable partnership with the Cabrillo Education Foundation. For the past eight years, CEF has provided stable, supplemental funding through its Endowment Fund to support critical initiatives in Early Literacy, Science, Mathematics, and College and Career Readiness across all district schools.

The Foundation strategically aligns its grant funding with district priorities as outlined in the Local Control Accountability Plan, California School Dashboard) metrics, and Board-approved goals developed through collaborative input from teachers and community members. This targeted approach ensures CEF's contributions directly address the most pressing educational needs of CUSD students.

The proposed Memorandum of Understanding before the Board today formalizes this productive relationship for the next decade (2025-2035). It clearly defines the mutual responsibilities, expectations, obligations, and rights of both organizations while ensuring continued financial stability. As public education funding remains volatile and operational expenses continue to climb, this partnership provides crucial supplemental resources that enhance educational opportunities for our students.

There is no negative impact to the general fund associated with the approval of this MOU between CEF and CUSD.

RECOMMENDATION

Staff recommends that the CUSD Governing Board approve the Cabrillo Education Foundation MOU for 2025-2035.

Prepared by: *Josefina Infanzon*

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Leticia Bhatia, Ed.D., Deputy Superintendent Educational Services
Lisa Longaker, CTE Coordinator, Half Moon Bay High School
CATEGORY: Consent
ITEM TITLE: Approval of South San Francisco Unified School District Round 7 Strong Workforce Program Grant MOU

BACKGROUND INFORMATION

The Cabrillo Unified School District (CUSD) has been awarded a Round 7 Strong Workforce Grant in partnership with South San Francisco Unified School District (SSFUSD), Collaborative Education Advisors (CEdAd), a vendor approved and endorsed by the San Mateo County Office of Education, and Skyline College. CUSD will act as the fiscal agent for the consortium. This Memorandum Of Understanding (MOU) allows CUSD to disburse funds to SSFUSD and provide additional services for both districts from CEdAd per the grant work plan and budget narrative.

REPORT/PROPOSAL

This grant will provide funds for curriculum development for CTE exploratory electives at Cunha Intermediate School that will provide introductory exposure to the HMBHS CTE pathways. The grant will also provide STEM focused CTE field trips for 7th and 8th grade students from both CUSD and SSFUSD, an 8th grade CTE expo day, transportation for field trips, substitute costs for teachers attending field trips, a summer bridge master class for rising 9th graders at risk for credit deficiency in high school, a field trip to Skyline College for special population students targeted to student supports available and a field trip to Skyline College for alternative education students. These activities are intended to increase college and career readiness, exposure to community colleges, and increase opportunities for CUSD and SSFUSD students, particularly those at risk of not continuing on to postsecondary education.

The Strong Workforce Program (SWP) requires matching funds at a rate of 2:1 to support CTE. The local match may include funding from school district LCFF apportionments pursuant to EC Section 88820-88833, the federal Carl D. Perkins Career and Technical Education Improvement Act of 2006 (now Perkins V), the Agricultural Incentive grant, the SSP grant, the Golden State Pathways grants, or any other source except from the California Career Pathways Trust established pursuant to EC Section 53010. This grant also demonstrates that CUSD and SSFUSD are leveraging and “braiding” CTE funds thus giving both districts special consideration when applying for other CTE grants. Our SMCCD partner, Skyline College, is providing services to both districts per the grant work plan, and has contributed significant matching funds for this grant.

FISCAL ANALYSIS

The total grant award is $945,917. Funds will be dispersed to CUSD, SSFUSD, and to CEdAd for services including planning and materials for middle school and high school field trips, training and workshops, support, coordination, and organization of annual industry CTE off site experiences, 8th grade CTE Expo Days (planning, materials, training and staffing), AI and STEAM innovation challenges at Skyline College on College Expo Days, organization of annual industry CTE aligned community college field trips with workshops for students and teacher PD on AI and STEAM project based learning as needed; course design/ strategic planning with Skyline College

and business partners, and CTE credentialing support. CUSD will receive the indirect costs of the entire grant award (4% maximum allowable by SWP) $36,385, for providing fiscal agency for the grant cycle.

Matching funds required for SWP grants come from general fund expenditures that support CTE, such as CTE teacher and support staff salaries and benefits commensurate to CTE sections, the allowable grant matching funds listed above, LCFF funds spent on CTE classroom furniture, textbooks, and supplies, and local bond funds spent on CTE facilities improvements. Skyline College is a partner in this grant and is providing substantial matching support for the services they are providing to both districts during this grant period.

RECOMMENDATION

It is recommended that the CUSD governing board approve South San Francisco Unified School District Round 7 Strong Workforce Program Grant MOU as submitted.

Exhibit A: Scope of Work

SSFUSD/CUSD's R7 SWP aims to establish mindful connections between middle school students and high school pathways in STEM-integrated Career and Technical Education (CTE) programs. Many students are unaware of the high school pathways aligning with their interests and career aspirations. A 6th grade interest survey will identify pathways of interest for students for future development. Structured visits to Skyline College and industry partners, featuring integrated STEM sessions focusing on career exploration and high school pathways, will equip students with the knowledge to make informed decisions about their CTE course and pathway choices, creating a bridge for students to high school CTE pathways. Workshops utilizing drones, robotics, and AI will be hosted at Skyline College or industry partner sites for our MS attendees, and aligned to high school pathways. This initiative also addresses the needs of high school students in Alternative Education, as well as our students with disabilities by providing opportunities specific to these special populations. Also provided are funds for CTE master classes for students at risk of early credit deficiency. CUSD will serve as the fiscal agent for this grant and will disperse funds to SSFUSD and Collaborative Education Advisors per a professional services agreement. This agreement will provide services to both CUSD and SSFUSD and the contract paid by CUSD as the fiscal agent.

STUDENT TEACHING AGREEMENT
SAN FRANCISCO STATE UNIVERSITY
AND
Cabrillo Unified School Distrcit

THIS AGREEMENT is entered into by and between the Trustees of the California State University (the University), which is the State of California acting in a higher education capacity through its duly appointed and acting officer on behalf of San Francisco State University, hereinafter called "the University" and the above named School, hereinafter called "the School".

WHEREAS, the California Commission on Teacher Credentialing is an agency in the Executive Branch of California State Government, created in 1970 by the Ryan Act as the autonomous state standards boards for educator preparation for the public schools of California, the licensing and credentialing of professional educators in the State, the enforcement of professional practices of educators, and the discipline of credential holders in the State of California;

WHEREAS, pursuant to the provisions of the California Education Code, the governing board of any school is authorized to enter into agreements with any California State University, the University of California, or any other university or college accredited by the California Commission on Teacher Credentialing as an educator preparation institution to provide teaching practicum and administrative experience to University students enrolled in the credential curricula of such institutions (to include but not exclusive to Multiple Subjects Credential, Single Subjects Credential, Education Specialist; Clinical Rehabilitation Services Credentials; Added Authorizations in Adapted Physical Education, Bilingual Education, and others; and Administrative Services Credential); and

WHEREAS, the University represents that it is accredited by the California Commission on Teacher Credentialing as an educator preparation and credentialing institution.

NOW THEREFORE, it is mutually agreed between the parties hereto as follows:

GENERAL PROVISIONS

1. The term of this agreement shall be from July 1, 2025 to June 30, 2030.

2. The School shall provide practicum experience through practice teaching or administrative experience in schools and classes of the School in accordance with California Commission on Teacher Credentialing Standards. Students of the University shall be assigned by the University to practice teaching or administrative experiences in schools or classes in the School for the term as set forth in special provisions. Such practice teaching or administrative experiences shall be provided in such schools or classes of the School, and under the direct supervision and instruction of such employees of the School as the School and the University through which their duly authorized representatives may agree upon. The assignment of a student teacher or administrative intern is the joint responsibility of the School and the University.

   The School may, for good cause, refuse to accept any student of the University assigned to practice teaching or administrative duties in schools or classes of the School. The University may, for good cause, terminate the assignment of any student of the University to practice teaching or administrative duties in the School.

"Practice Teaching" or "Administrative Internship", as used herein and elsewhere in this agreement, means active participation in the duties and functions of the classroom teaching or school site under the direct supervision and instruction of employees of the School. These employees shall hold valid life diplomas or credentials issued by the State Commission on Teacher Credentialing, other than emergency, intern, or provisional credentials, and be authorized to serve as classroom teachers or principals in the schools or classes in which the practice teaching or administrative internship is provided.

3. Each "semester unit of practice teaching or administrative experience" as used herein and elsewhere in this agreement for elementary and secondary schools equals approximately twenty (20) minutes of practice teaching daily for five (5) days a week for sixteen (16) weeks. Other components of the student teaching experience, based on standards for educator preparation determined by the CTC shall include:

- Students should be given ample time to participate in the school activities from the beginning to the end of the year.
- Students should be given ample time to participate in multiple placements per elementary, middle and high school settings, based on specific credential requirements.
- Students should have at least 12 to 16 hours for Adapted Physical Education teachers and 20-25 hours per week for elementary, secondary and special education candidates to work in specified site.
- Students should be allowed to experience two full weeks (all day) of student teaching or administrative experience. Students should be allowed to participate in school settings for a maximum of 16 weeks per semester of teaching or administrative experience.
- Students should participate in inclusive education programs that provide the Least Restrictive Environment (LRE) for all TK-12th grade students.
- Students should participate in robust programs and support for English learners that provide opportunities that reflect, to the extent possible, socioeconomic and cultural diversity.
- Students should be permitted the opportunity for video capture for candidate reflection and Teaching Performance Assessment (TPA) completion, following appropriate parental and school consent procedures.

4. Responsibilities of the University program in provision and preparation of student teaching and/or administrative experiences for candidates placed in the School shall include the following, as per CTC educator preparation standards:

- The University provides initial orientation for preparation of University supervisors and school-employed supervisors (referred to hereafter as cooperating teachers) of clinical practice experiences to ensure all supervisors understand their role and expectations.
- The University provides cooperating teachers a minimum of 10 hours of initial orientation to the program curriculum, about effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices. The University ensures that cooperating teachers remain current in the knowledge and skills for candidate supervision and program expectations, specifically the program curriculum and assessments, including the Teaching Performance Expectations (TPEs) and the Teaching Performance Assessment (TPA) model chosen by the program.
- University supervisors will minimally provide formal evaluation of each candidate 6 times per semester.

- University supervision may include an in-person site visit, video capture or synchronous video observation, but it must be archived either by annotated video or scripted observations and evaluated based on the Teaching Performance Expectations (TPEs), that produce data that can be aggregated and disaggregated.

5. School responsibilities in the preparation of student teacher and administrative candidates include the following, as per CTC educator preparation standards:

   - Following a collaborative process of placing student teachers and administrative intern candidates with selected cooperating teachers, the cooperating teachers in the School minimally provide 5 hours per week of support and guidance to each candidate during the final semester of student teaching or internship experience.
   - Assurance that each school site employs a fully qualified site administrator (principal or equivalent).
   - Assurance that each selected cooperating teacher holds a Clear Credential in the content area for which they are providing supervision, have a minimum of three years of content area K-12 teaching experience,and will stay current with changing program requirements, including program alignment to the Literacy Standards
   - Student teachers placed within the participating district must be at sites that allow the Student teacher to provide effective literacy instruction for all students. Specifically, the student teacher shall be at sites that allow for instructing students in literacy areas of meaning making, language development, and effective expression.

6. Collaborative responsibilities of the University and the School in the selection of school sites and supervisors include the following, as per CTC educator preparation standards:

   - Collaborative selection of clinical sites (schools) will be conducted by University and School personnel that demonstrate commitment to evidence-based practices and continuous program improvement, have partnerships with other appropriate educational, social, and community entities that support teaching and learning, place students with disabilities in the Least Restrictive Environment (LRE), provide robust programs and support for English learners, that reflect, to the extent possible, socioeconomic and cultural diversity, and permit video capture for candidate reflection and TPA completion.
   - The University and School will collaboratively select cooperating teachers who are credentialed or who have equivalent experience in educator preparation, based on mutually agreed upon criteria that are consistent with CTC standards. Supervisors should be experts in the content area of the candidate being supervised and should have recent professional experiences in school settings where the curriculum aligns with California's adopted content standards and frameworks, and the school should reflect the diversity of California's student population.
   - The University and School collaboratively match candidates and school-employed supervisors.

7. An assignment of a student of the University to practice teaching or administration in the School shall be deemed to be effective for the purposes of this agreement as of the date student presents to the proper authorities of the School the assignment card or other document given by the University effecting such assignment, but not earlier than the date of such assignments as shown on such card or other document. Absences of a student from assigned practice teaching or administrative practicum shall not be counted as absences in computing the semester units of practice teaching or APE or administrative practicum provided the student by the School.

8. School shall be responsible for damages caused by the negligence of its officers, employees and agents. University shall be responsible for the damages caused by the negligence of its officers, employees and agents. The intent of this paragraph is to impose responsibility on each party for the negligence of its officers, employees and agents.

9. University shall maintain Student Professional Liability Insurance for its students for the entire duration of this agreement. Evidence of such coverage shall be furnished upon request by School.

10. University is permissibly self-insured for its general liability, motor vehicle liability, worker's compensation and property exposures. School unless permissibly self-insured itself shall maintain in full force Commercial Liability Insurance and Professional Liability Insurance with limits no less than $1,000,000/$3,000,000 aggregate. Evidence of such coverage shall be furnished upon request by School and University.

11. It is understood and agreed by the parties that all students shall be considered learners and are not covered by Workers Compensations of either party. They shall not replace School staff except as may be necessary as a part of their educational training.

12. Notwithstanding any other provision to the contrary, this Agreement may be terminated without cause at any time by either party upon ninety (90) days' prior written notice to the other party or upon completion of the students' rotation, whichever is greater. In the event of a material breach of this Agreement, the aggrieved party may terminate this Agreement by giving thirty (30) days' prior written notice of termination to the breaching party.

13. This agreement may be amended or modified at any time by mutual written consent of both parties.

14. Exhibit A is incorporated herein by reference and made a part of this Agreement.

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Jennifer Marsh
CATEGORY: Consent/Action,
ITEM TITLE: Approval of Bid Award for E-Rate Provider GIGAKOM for the 2025-26 School Year

BACKGROUND INFORMATION

The E-Rate program helps schools and districts secure affordable broadband access. Eligible schools and districts can apply individually or as part of a consortium; CUSD applies individually.

Funding is available under two service categories:

- Category One: Covers telecommunications, telecommunications services, and Internet access for school districts.
- Category Two: Supports internal connections, essential maintenance of internal connections, and managed internal broadband services to distribute Internet access within schools.

Discounts range from 20% to 85%, depending on the district's poverty level and whether it is in an urban or rural area. The program operates under an annual funding cap of $4.456 billion, set by the Federal Communications Commission (FCC).

The E-rate program is managed by the Universal Service Administrative Company (USAC) under the FCC's direction. USAC is responsible for processing applications, confirming eligibility, reimbursing service providers, and ensuring compliance with E-Rate regulations.

CUSD has vetted providers to ensure compliance with all FCC E-Rate rules and is submitting the proposal GIGAKOM for approval.

REPORT/PROPOSAL

GIGAKOM Quote for E-Rate.

FISCAL ANALYSIS

The E-Rate will reimburse CUSD up to 80% of the qualifying services.

RECOMMENDATION

Staff recommends approval of the proposal as presented.

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Jennifer Marsh, Chief Business Officer
CATEGORY: Consent/Action
ITEM TITLE: Approval of 2nd and 3rd Amendment to the March 2017 MOU with Boys & Girls Club of the Coastside

BACKGROUND INFORMATION

The Cabrillo Unified School District (CUSD) and the Boys and Girls Club of the Coastside (BGCC) have maintained a long-standing partnership to support the academic, athletic, and cultural enrichment of Coastside youth. Since the initial Memorandum of Understanding (MOU) signed in March 2017 regarding BGCC's use of the new gymnasium at 530 Kelly Avenue, BGCC has contributed significantly to the development and improvement of athletic facilities throughout the district.

REPORT/PROPOSAL

In light of evolving needs and in response to current budget challenges, CUSD and BGCC have mutually agreed to two amendments to the 2017 MOU that reaffirm their shared mission and further define their collaboration.

- The 2nd Amendment clarifies BGCC's continued coordination of community and school use of facilities at Cunha Intermediate School during after-school hours and weekends. It also defines the shared use of the tennis courts located on the Cunha campus.

- The 3rd Amendment addresses the shared use and maintenance of the Baseball Field Complex at Half Moon Bay High School. It outlines specific responsibilities for scheduling, custodial services, maintenance, and cost-sharing to ensure the efficient and equitable management of the facility.

These amendments reflect a continued commitment from both parties to maximize the use of public facilities for the benefit of the community and to maintain strong, collaborative operations that support student programs.

These amendments support the district's efforts to maintain collaborative partnerships that enhance youth services while effectively managing shared resources.

FISCAL ANALYSIS

The MOU does not have a fiscal impact on the General Fund.

RECOMMENDATION

Staff recommends approval of the 2nd and 3rd Amendment to March 2017 MOU with Boys & Girls Club of the Coastside.

Prepared by: *Holly Lynne*

2nd AMENDMENT TO MARCH 2017 MEMORANDUM OF UNDERSTANDING BETWEEN CABRILLO UNIFIED SCHOOL DISTRICT AND THE BOYS AND GIRLS CLUB OF THE COASTSIDE

This Agreement is made on this 24th day of April 2025 by and between the Cabrillo Unified School District ("District") and the Boys and Girls Club of the Coastside ("BGCC").

WHEREAS, the Boys and Girls Club of the Coastside ("BGCC") and the Cabrillo Unified School District ("District") have previously established a strong collaborative partnership to serve the academic, athletic, and cultural enrichment needs of San Mateo County Coastside youth; and

WHEREAS, the BGCC has contributed millions of dollars over the years toward the construction of multiple athletic facilities that benefit the District and the youth jointly served by the BGCC and the District, and these projects would not have been possible without the BGCC's contributions; and

WHEREAS, in March 2017, the BGCC and the District signed a Memorandum of Understanding "to memorialize the understanding and agreement of the Parties for the usage by BGCC of the new gymnasium located at 530 Kelly Avenue, Half Moon Bay, CA 94019 (the "2017 MOU")."; and

WHEREAS, the 2017 MOU stated "(a)ny changes, modifications, revisions or amendments to this MOU must be mutually agreed upon by the Parties and shall be incorporated in writing, and effective when executed and signed by all Parties"; and

WHEREAS, the BGCC and the District believe that amendments are now in order to best suit the aligned missions of both parties to serve San Mateo County Coastside youth; and

WHEREAS, the Boys and Girls of the Coastside and the Cabrillo Unified School District have worked together to agree to these amended terms in order to continue the offering of services to youth during a time of a significant budget shortfall for the school district;

NOW, THEREFORE, it is hereby mutually agreed between the District and the BCGC that the terms outlined below will now be incorporated as a whole as the First Amendment to the 2017 MOU.

1. Purpose

In partnership with CUSD, BGCC will coordinate the community and school usage of facilities at the District's Cunha Intermediate School (the "Cunha Campus") during after-school hours and on weekends.

2. Facilities

The facilities included in this agreement are as follows:

a. The Coastside Event Center located at 530 Kelly Avenue, Half Moon Bay, CA 94019

b. Tennis courts on the Cunha Campus (the "Tennis Courts")

c. School gymnasium on the Cunha Campus (the “Cunha Gym”)

d. Soccer complex on the Cunha Campus (the “Soccer Complex”)

3. Responsible Parties

The facilities will remain the property of the District. All required safety inspections, testing, and documentation will be the responsibility of the District. The District is to remain responsible for all aspects of fire alarms and fire suppression.

4. Custodial Care, Routine Maintenance, and Repairs of the Facilities

a. The District is responsible for all repairs and routine maintenance on the Cunha Gym.

b. BGCC is responsible for routine maintenance on the Soccer Complex and the Coastside Event Center.

c. BGCC will be responsible for minor repairs (with a general guideline being costs less than $2,500) to the Soccer Complex, Coastside Event Center, and Tennis Courts.

d. When major repairs (with a general guideline being costs more than $2,500) are needed for repairs to the Soccer Complex, Coastside Event Center, or the Tennis Courts, the Executive Director of BGCC and the Superintendent of the District t will designate staff to meet and collaborate on a viable approach to facilitate the work and schedule the payment for costs of the major repair work.

e. The District is responsible for paying all utilities (including electrical, water, internet, and security) for the facilities listed in Section 2 (the “Facilities”).

f. The District will pay for custodial supplies for upkeep of the Facilities.

g. BGCC is responsible for all costs related to the outdoor toilet (i.e., Port-a-Potty) at the Soccer Complex.

h. The District will schedule and pay custodial staff for work done on school days. The District will also schedule and pay for custodial staff on non-school days when the Facilities are used for District purposes on non-school days or non-school hours (e.g., high school basketball games).

i. BGCC will schedule and pay custodial staff for weekends during the school year and out-of-school time, including summer vacations and school holidays. The District will also schedule and pay for custodial staff on weekends during the school year and out-of-school time, including summer vacations and school holidays, when the Facilities are used for District purposes on weekends during the school year and out-of-school time on non-school days or non-school.

j. BGCC will pay all custodial costs for restrooms near the Soccer Complex with the understanding that these restrooms will be locked during the regular school day and will not be used by Cunha Intermediate School students during the regular school day. The District will pay these custodial costs when the restrooms are used for District purposes on non-school days or during non-school hours.

k. The parties understand that BGCC does not employ union-represented employees who nonetheless may require access to the Facilities.

5. Facility Usage and Scheduling

a. Scheduling the Facilities will be done using the District's Civic Permits software.

b. The District will host and maintain the license for the Civic Permits software.

c. The District will provide the required staff to manage the Civic Permits software.

d. During school hours (typically 8:00 a.m. to 3:00 p.m.) on school days, the Facilities will be exclusively for school use, with the exception of the one tennis court in the Tennis Complex that has been designated for public use.

e. Both BGCC and the District will approve all usage of the Facilities outside of school hours. If BGCC and the District do not both approve a permit request, the use will not be allowed.

f. Rental fees will be determined by the District's Facility Use Fee Schedule. This schedule will be reviewed by both parties annually and updated as necessary.

g. In the instance where a fee waiver has been requested by a party wishing to use one of the Facilities, BGCC must approve the fee waiver before it is granted.

h. The ~~District~~ **BGCC** will be responsible for invoicing for permit usage. All fees for permitted uses of the Facilities will be collected by the ~~District~~ **BGCC** in advance of use.

i. Monthly, BGCC will provide the District with a report that will include a summary of facility rentals.

j. Fees that are collected from permitted uses will be shared between BGCC and the District as such:

i. The District will retain monies needed to cover any personnel expenditures directly related to that specific rental event (i.e., custodial staff time). These expenses will be reviewed and discussed with BGCC in advance of the rental.

ii. The BGCC will retain all income from rental of the Facilities to BGCC for expenses incurred in operating Cunha Intermediate School after-school athletics program up to $100,000 in a given CUSD fiscal year.

iii. If, in any given District fiscal year, fees collected from permitted uses of the Facilities exceed $100,000 (the estimated current cost of the Cunha after-school athletics program), the amounts in excess of $100,000 will be shared in a ratio of ~~25~~ **50%** to the District and ~~75~~ **50%** to BGCC, representing their respective contributions to the original building costs of the Coastside Event Center.

k. BGCC will establish a protocol for checking use permits and take responsibility for checking such permits to protect the interests of both BGCC and the District. This does not preclude CUSD's work to also check and enforce facility permits.

l. BGCC will propose to the District how to handle violations of permit usage.

m. The District understands BGCC may consign the kitchen in the Coastside Event Center and/or the Snack Shack on the Soccer Complex to a third party to operate a food or beverage service as long as all jurisdictional regulations are honored.

6. Dispute Resolution

a. Annually, BGCC and the District will each assign a representative to monitor this MOU and its amendments. In the spirit of partnership, these representatives will work together to try to resolve any disputes in good faith and in a timely manner.

b. If a dispute cannot be resolved after consultation between the parties, BGCC and District representatives may work to consult with a neutral third party for resolution and otherwise will meet to amend this agreement as necessary before presenting amendments to the MOU to the governing boards of both parties.

This amendment to the agreement is effective upon the day and date last signed and executed by the duly authorized representatives of the Parties to this MOU and governs until it is amended. The Parties can renegotiate this MOU and its amendments upon written request from either party or by mutual consent.
It is understood by both parties that if, at a future date, these terms (known as Amendment 1) are cancelled, the original MOU of March 2017 still stands.

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Dr. Ramon Miramontes, Interim Superintendent
James Barnes, Director of Student Services
CATEGORY: Consent/Action
ITEM TITLE: Approval of Williams Uniform Complaints Reports for Second and Third Quarters of the 2024–25 School Year (Education Code §35186)

BACKGROUND INFORMATION

In accordance with Education Code §35186, Williams complaints must be filed and resolved through the Uniform Complaint Procedures (UCP). These complaints address deficiencies in instructional materials, emergency or urgent facility conditions posing a threat to the health and safety of students or staff, and teacher vacancies or misassignments.

Complaints can be filed anonymously, and complainants who provide their identity are entitled to a response if requested. Schools are required to make complaint forms available for these purposes. However, complaints submitted in writing must still be accepted, even if not on the official form. Complaints should be filed with the principal or their designee.

Local governing boards are required to report quarterly to the San Mateo County Office of Education (SMCOE) on the nature and number of Williams complaints received. These reports are publicly presented during regular board meetings.

REPORT/PROPOSAL

For the **second quarter** of the 2024–25 school year, Cabrillo Unified School District initially reported one (1) Williams complaint. Upon further review of the complaint summary, it was determined that the issue did not meet the criteria for a Williams complaint. This correction was not reflected in the report submitted to the County. The corrected data is now being presented for Board approval and will be submitted along with the second quarter report to the SMCOE.

For the **third quarter** of the 2024–25 school year, the district received zero Williams complaints related to instructional materials, facility conditions, or teacher vacancies or misassignments.

FISCAL ANALYSIS

There is no financial impact on the General Fund.

RECOMMENDATION

Staff recommend the Governing Board approve the corrected second and third quarters reports on Williams Uniform Complaints, as required by Education Code §35186.

MEMORANDUM

MEETING DATE: April 24, 2025
TO: Members of the Governing Board
FROM: Dr. Ramon Miramontes, Interim Superintendent
CATEGORY: Consent/Action
ITEM TITLE: Approval of Governing Board Policy Updates as Recommended by the California School Boards Association and CUSD Staff

BACKGROUND INFORMATION

The Cabrillo Unified School District (CUSD) participates in the California School Boards Association's (CSBA) Policy Online and Manual Maintenance Service. One important component of this optional service is that participating districts receive a quarterly "Policy Maintenance Report" to help keep Board policies up to date and fully compliant. Most often, the proposed changes are mandate-driven. In such instances, staff will suggest that the Board waive additional readings and adopt the suggested revisions via action.

When a quarterly maintenance review indicates 1) a need for a change in a policy that provides optional courses of action or 2) the need for a new policy to address a particular issue, staff may suggest that the Board engage in a first and second reading of the document prior to considering policy adoption.

REPORT/PROPOSAL

This month, the following Board Policies are provided for adoption. These Board documents have been reviewed by the appropriate staff and are submitted for your consideration. CUSD staff have further concluded that the proposed revisions reflect new laws, federal law compliance, and/or additional CSBA suggested wordsmithing that could be considered for adoption under consent items.

FISCAL ANALYSIS

RECOMMENDATION

Approve the Governing Board Policy updates as submitted.

Prepared by: *Rosibel Acosta, Administrative Assistant to the Superintendent*

CABRILLO UNIFIED SCHOOL DISTRICT
POLICY GUIDESHEET
April 24, 2025

Note: This guidesheet provides a brief summary of the policy revisions for this update.

Board Policy 0420.4 - Charter School Authorization

Policy updated to reference that, until January 1, 2025, the Governing Board is prohibited from approving a petition for the establishment of a new charter school offering nonclassroom-based instruction, and provide that a district under state receivership is not in a position to absorb the fiscal impact of a proposed charter school. Policy also updated to reference pending litigation brought by each of CSBA's Education Legal Alliance and Napa Valley Unified School District against the State Board of Education (SBE) regarding SBE's authority to reverse the denial of a charter school petition by making a determination that a board abused its discretion in denying the petition.

Board Policy 0420.41 - Charter School Oversight

Policy updated to reflect that the Governing Board may deny a request for an expansion that constitutes a material revision to a charter if the request to expand operations is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate or the district is not in a position to absorb the fiscal impact of the proposed charter school, and to include a general reference to exemptions from the geographic boundary requirement that charter schools be located within the geographic boundaries of the authorizing district. Policy also updated to include that the district may charge the charter school for the actual costs of supervisorial oversight up to one percent of the charter school's revenue it the district provides the charter school with facilities and charges the charter school a pro-rata share of the facilities costs. Additionally, policy updated to reference additional components that must be included in the procedures specified in the charter for when a charter school ceases operation.

Board Policy 1340 - Access to District Records

Policy updated to delete material related to the copying of public records, as it is more appropriately placed in, and therefore moved to, the accompanying Administrative Regulation.

Board Policy 1431 - Waivers

Policy updated to reference NEW LAW (SB 114, 2023) which prohibits a waiver request for transitional kindergarten and kindergarten requirements provided for in specified Education Code sections. Policy also updated to provide that advertisement of the notice for the public hearing which is required prior to the Governing Board submitting a waiver request to the State Board of Education includes publishing it on the district's website.

Board Policy 3580 - District Records

Policy updated to include protection of records against damage, loss, or theft, which may be caused by cybersecurity breaches. Additionally, policy updated to require the Superintendent or designee to (1) ensure that employees receive information and training about cybersecurity, including ways to protect district records from breaches to the district's digital infrastructure, and (2) to report a cyberattack that impacts more than 500 students or personnel to the California Cybersecurity Integration Center. In addition, policy updated to clarify that if a breach in security of district records has resulted in the release of personal information that was either unencrypted, or encrypted under certain specified circumstances, the Superintendent or designee is required to notify individuals, as specified. Policy also updated to specify that records containing confidential address information of a participant in the Safe at Home program are required to be kept in a confidential location and not shared with the public.

Board Policy 3600 - Consultants

Policy updated to reflect NEW LAW (AB 2257, 2020) which recodifies the three-part test established in Dynamex Operations West, Inc. v. Superior Court of Los Angeles to determine whether a person providing services for remuneration should be classified as an employee or an independent contractor, and NEW LAWS (AB 2257 and AB 323, 2020) which establish exceptions to the use of the three-part test. Requirement to afford equal opportunity for contracts revised to add ethnicity and reflect NEW LAW (AB 3364, 2020) which changes the term "military and veteran status" to "veteran or military status."

Board Policy 4111 - Recruitment and Selection

Policy updated to reflect NEW GUIDANCE from the California Department of Education and the Commission on Teacher Credentialing related to the benefit to students when district staff reflects the racial, ethnic, linguistic and cultural diversity of the district, and when the district's recruitment and selection process seeks to establish and maintain a diverse staff. Additionally, policy updated to include that the pay scale for an open position be included in the job posting. In addition, policy updated to include that discrimination against a person in hiring based on the person's use of cannabis off the job and away from the workplace is prohibited, and reflect NEW LAW (SB 700, 2023) which prohibits the district from requesting information from an applicant related to the applicant's prior use of cannabis, apart from the person's criminal history, unless the district is otherwise legally permitted to consider or inquire about that information, In addition, policy updated to provide that the district retains the right to maintain drug-free schools and to prohibit employees from possessing, being impaired by, or using cannabis while on the job. Policy also updated to include that, in addition to Governing Board approval and district needs, the provision of incentives to recruit teachers be in accordance with any applicable collective bargaining agreement.

Board Policy 4112.2 - Certification

Policy updated to reference that the Commission on Teacher Credentialing (CTC) has adopted regulations to implement statutory changes to the subject matter competence requirements, add, to the first philosophical paragraph, demonstration of competency in the subject matter to be taught to the attributes of certificated staff, provide that the Governing Board is required to adopt an annual resolution that it has made reasonable efforts to recruit a fully prepared teacher before hiring, in accordance with a specified hiring hierarchy, a candidate who is not fully credentialed, clarify that the Board's obligation to take action to approve a notice of intent to employ a provisional internship permit does not require that the item be an action item, and add that the Declaration of Need specify each subject to be listed on the General Education Limited Assignment Single Subject Teaching Permits and the target language on Emergency Bilingual Permits.

Board Policy 4118 - Dismissal/Suspension/Disciplinary Action

Policy updated to reflect NEW COURT DECISION (Kennedy v. Bremerton School District), in which the U.S. Supreme Court held that the district's decision not to rehire a high school coach who refused to follow district direction to refrain from offering prayers openly in the presence of students after football games, violated the employee's free exercise and free speech rights. Policy also updated to include language formerly in AR that prohibits the disciplining of any employee for protecting a student who is exercising a free speech or press right.

Policy updated to generalize the material related to the basis for disciplinary action, and reflect NEW COURT DECISION (Visalia Unified School District v. PERB) which held that service as a union officer constitutes protected activity under the Educational Employment Relations Act for purposes of complaints of retaliation for union activities, and that retaliation solely for engaging in protected activities is prohibited. Additionally, policy updated to amend the list of what may be considered disciplinary actions to more closely align with law, and to add new section "Compulsory Leave of Absence" for consistency with law and the accompanying administrative regulation.

Board Policy 4119.1 – Civil and Legal Rights

Policy updated to reflect NEW COURT DECISION (Kennedy v. Bremerton School District), in which the U.S. Supreme Court held that the district's decision not to rehire a high school coach who refused to follow district direction to refrain from offering prayers openly in the presence of students after football games, violated the employee's free exercise and free speech rights. Policy also updated to include types of retaliation prohibited when an employee is acting solely to protect a student engaged in conduct authorized by Education Code 48907 (freedom of speech and press) or 48950 (speech and other communication), and clarify that an employee is prohibited from using official authority status or influence to attempt to intimidate, threaten, coerce, or command another employee for the purpose of interfering with that employee's right to disclose improper governmental activity.

Board Policy 4140– Bargaining Units

Policy updated to reflect NEW LAW (SB 270, 2021) which allows a district 20 days to cure a violation of the district's employee information disclosure obligation when the district is notified by an employee organization, and limits district opportunity to cure a violation that involves the provision of an inaccurate or incomplete list to three times in any 12-month period. Policy also updated to reflect NEW LAW (SB 191, 2022) which provides additional obligations for a district when an "inperson orientation" cannot be held by the district. Additionally,

policy updated to include heading change from “Access to Employee Orientations” to “Access to New Employee Orientations, and to clarify language in this section and in “Formation of Bargaining Unit” section.

Policy updated to align the definition of "management employee" with code language and to reference NEW LAW (SB 931, 2022) which provides that any district found by the Public Employment Relations Board to be in violation of the prohibition against deterring or discouraging district employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization, may be subject to civil penalties of $1,000 for each affected employee, up to a maximum of $100,000 in total, and may be ordered to pay attorney's fees and costs to the employee organization. Policy also updated to specify that the Superintendent or designee may communicate with district employees regarding their rights to join and/or support an officially recognized employee organization or to refrain from joining or supporting an officially recognized employee organization, add applicable number of days for compulsory interest arbitration related to access to new employee orientation, expand the material regarding district requirements for new employee orientations that are applicable until June 30, 2025, reference NEW LAW (SB 1131, 2022) which extends the Safe at Home address confidentiality program to employees who face threats of violence, or violence or harassment from the public because of the employee's work for the district, and clarify language regarding information that should not be disclosed when an employee submits a written request to keep specified information private.

Policy updated to clarify use of "employee organization," "recognized employee organization," "exclusive representative," and "bargaining unit". Additionally, policy updated to clarify Public Employee Relations Board opinions regarding when a district may restrict the wearing of union buttons, insignia, or other pictorial or written messages by employees, when a district may limit an employee organization's ability to communicate with its members, and what constitutes "reasonable restrictions" by a district. In addition, policy updated to remove outdated material related to COVID-19, and reflect NEW LAW (AB 243, 2023) which extends the Safe at Home address confidentiality protection to victims of child abduction and members of their households. Policy also updated for clarity, precision, organization, and consistency.

Board Policy 4151 – Employee Compensation

Policy updated to add that for districts participating in the Classified School Employee Summer Assistance Program, eligible classified employees may elect to have up to 10 percent of the employee's monthly salary withheld and paid out during the summer recess in either one or two payments, and reflect NEW LAW (AB 185, 2022) which adds specific repayment procedures when a district has made a wage overpayment to a district employee.

Board Policy 4157 - Employee Safety

Policy updated to reference NEW LAW (SB 553, 2023) which requires, starting July 1, 2024, districts to establish, implement, and maintain at all times and in all work areas a workplace violence prevention plan with specified components.

Board Policy 4211 - Recruitment and Selection

Policy updated to reflect NEW GUIDANCE from the California Department of Education and the Commission on Teacher Credentialling related to the benefit to students when district staff reflects the racial, ethnic, linguistic and cultural diversity of the district, and when the district's recruitment and selection process seeks to establish and maintain a diverse staff. Additionally, policy updated to include that the pay scale for an open position be included in the job posting. In addition, policy updated to include that discrimination against a person in hiring based on the person's use of cannabis off the job and away from the workplace is prohibited, and reflect NEW LAW (SB 700, 2023) which prohibits the district from requesting information from an applicant related to the applicant's prior use of cannabis, apart from the person's criminal history, unless the district is otherwise legally permitted to consider or inquire about that information, In addition, policy updated to provide that the district retains the right to maintain drug-free schools and to prohibit employees from possessing, being impaired by, or using cannabis while on the job. Policy also updated to include that, in addition to Governing Board approval and district needs, the provision of incentives to recruit teachers be in accordance with any applicable collective bargaining agreement.

Board Policy 4216 – Probationary/Permanent Status

Reference to Education Code 45301.

Administrative Regulation 4218 - Dismissal/Suspension/Disciplinary Action

Regulation updated to move, from AR to BP, material which prohibits the disciplining of an employee for acting to protect a student's right to free speech or press, and to make clarifying changes throughout.

Policy updated to reflect NEW LAW (AB 2413, 2022) which prohibits a district from suspending, demoting, or dismissing a permanent classified employee who timely requests a hearing pending the outcome of that hearing.

Policy updated to generalize the material related to the basis for disciplinary action, and reflect NEW COURT DECISION (Visalia Unified School District v. PERB) which held that service as a union officer constitutes protected activity under the Educational Employment Relations Act for purposes of complaints of retaliation for union activities, and that retaliation solely for engaging in protected activities is prohibited. Policy 0420.4: Charter School Authorization **Status:** DRAFT

Original Adopted Date: 12/08/2008 **| Last Revised Date:** 11/10/2022 **| Last Reviewed Date:** TBD

The Governing Board recognizes that charter schools may assist the district in offering diverse learning opportunities for students. In considering any petition to establish a charter school within the district, the Board shall give thoughtful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.

One or more persons may submit a petition to the Board for a charter school to be established within the district or for the conversion of an existing district school to a charter school. (Education Code 47605)

Any petition for a charter school shall include all components, signatures, and statements required by law, as specified in the accompanying administrative regulation. The proposed charter shall be attached to the petition. (Education Code 47605)

The Superintendent or designee shall consult with legal counsel, as appropriate, regarding compliance of the charter petition with legal requirements.

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to ensure compliance of the petition with legal requirements. As needed, the Superintendent or designee may also meet with the petitioners to establish workable plans for contracted services which the district may provide to the proposed charter school.

The Board shall not require any district student to attend the charter school nor shall it require any district employee to work at the charter school. (Education Code 47605)

Timelines for Board Action

Within 60 days of receiving a charter petition, the Board shall hold a public hearing on the charter provisions, at which time the Board shall consider the level of support for the petition by **district** teachers, other district employees, and parents/guardians. A petition is deemed received on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. (Education Code 47605)

The Board shall either grant or deny the petition at a public hearing held within 90 days of receiving the petition, or within 120 days with the consent of both the petitioner and the Board. (Education Code 47605)

At least 15 days before the public hearing at which the Board will grant or deny the charter, the district shall publish all staff recommendations regarding the petition, including any recommended findings and, if applicable, certification from the County Superintendent of Schools regarding the potential fiscal impact of the charter school on the district. During the public hearing, the petitioners shall have equal time and opportunity to present evidence and testimony in response to the staff recommendations and findings. (Education Code 47605)

Approval of Petition

A charter petition shall be granted only if the Board is satisfied that doing so is consistent with sound educational practice and the interests of the community in which the school is proposing to locate. In granting charters, the Board shall consider the academic needs of the students the charter school proposes to serve and shall give preference to petitions that demonstrate the capability to provide comprehensive learning experiences for students who are identified by the petitioner as academically low-achieving, based on standards established by California Department of Education (CDE). (Education Code 47605)

Prior to authorizing any charter, the Board shall verify that the charter includes adequate processes and measures for monitoring and holding the school accountable for fulfilling the terms of its charter and complying with all applicable laws, including Education Code 47604.1. Such processes and measures shall include, but are not limited to, fiscal accountability systems, multiple measures for evaluating the educational program, inspection and observations of any part of the charter school, and regular reports to the Board.

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the district and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school governing body and amended as necessary.

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

When a petition is approved by the Board, it shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the ~~charter~~ **petition** to the County Superintendent of Schools, ~~the~~ CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall summarily deny any charter petition that proposes to:

1. Operate a charter school as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization (Education Code 47604)

2. Convert a private school to a charter school (Education Code 47602)

3. Serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district (Education Code 47605)

4. Offer nonclassroom-based instruction (Education Code 47612.7)

Regarding all other charter petitions, the Board shall deny a petition only if the Board makes written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605; 5 CCR 11967.5.1)

1. The charter school presents an unsound educational program that has a likelihood of physical, educational, or psychological harm to, or which is not likely to provide an educational benefit for, the students to be enrolled in the charter school.

2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.

3. The petition does not contain the number of signatures required.

4. The petition does not contain a clear, unequivocal statement described in Education Code 47605(e), including that the charter school will be nonsectarian and that the school shall not charge tuition or discriminate against any student based on the characteristics specified in Education Code 220.

5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(c).

6. The petition does not contain a declaration as to whether ~~or not~~ the charter school shall be deemed the exclusive public employer of the school's employees for purposes of collective bargaining pursuant to Government Code 3540-3549.3.

7. The charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate. Analysis of this finding shall include consideration of the fiscal impact of the proposed charter school. A written factual finding shall detail specific facts and circumstances ~~regarding:~~ **that analyze and consider the following factors:**

   ~~1~~ **a.** The extent to which the proposed charter school would substantially undermine existing services, academic offerings, or programmatic offerings

~~2.~~ **b.** Whether the proposed charter school would duplicate a program currently offered within the district, when the existing program has sufficient capacity for the students proposed to be served within reasonable proximity to where the charter school intends to locate

8. The district is not positioned to absorb the fiscal impact of the proposed charter school. The district meets this criterion if it has a negative interim certification, ~~or~~ has a qualified interim certification and the County Superintendent certifies that approving the charter school would result in the district having a negative interim certification**, or is under state receivership**.

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll students with disabilities who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

Appeals

If the Board denies a petition, the petitioner may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to SBE. (Education Code 47605)

At the request of the petitioner, the Board shall prepare the documentary record, including a transcript of the public hearing at which the Board denied the charter, no later than 10 business days after the petitioner makes the request. (Education Code 47605)

Within 30 days of receipt of an appeal submitted to SBE, the Board may submit a written opposition to SBE**, which may include supporting documentation,** detailing, with specific citations to the documentary record, how the Board did not abuse its discretion in denying the petition. (Education Code 47605)

If either the County Board or SBE remands the petition to the Board because the petition on appeal contains new or different material terms, the Board shall reconsider the petition and shall grant or deny the petition within 30 days. (Education Code 47605)

Policy 0420.41: Charter School Oversight **Status:** DRAFT

Original Adopted Date: 06/28/2012 | **Last Revised Date:** 11/10/2022 | **Last Reviewed Date:** TBD

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high- quality educational program for students enrolled in the charter school.

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of a charter school at any time. (Education Code 47604.32, 47607)

The Superintendent or designated charter school contact shall attend meetings of the charter school governing body whenever possible and shall periodically meet with a representative of the charter school.

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to SBE on behalf of the charter school.

Provision of District Services

The charter school may purchase administrative or other services from the district or any other source. (Education Code 47613)

Whenever the district agrees to provide administrative or support services to a charter school, the district and the charter school shall develop a memorandum of understanding (MOU) which clarifies the financial and operational agreements between them.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to petitions for the authorization of charter schools as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the
charter was originally granted or last renewed. (Education Code 47607)

The Board shall determine whether a proposed change in charter school operations would constitute a material revision of the approved charter.

If an approved charter school proposes to expand operations to one or more additional sites or grade levels, whether concurrently with or unrelated to a renewal, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations or grade levels. The Board shall consider approval of the additional locations or grade levels at an open, **public** meeting. (Education Code 47605, 47607)

Pursuant to Education Code 47605, the Board may deny a request to expand operations if it finds that the proposed expansion would render the charter school demonstrably unlikely to serve the interests of the entire community in which the school is located or proposes to locate. In making this finding, the Board shall consider all of the following:

1. The fiscal impact of the proposed expansion on the district

2. The extent to which the expansion would substantially undermine existing services, academic offerings, or programmatic offerings

3. Whether the expansion would duplicate a program currently offered within the district that has sufficient capacity for the students proposed to be served

Additionally, pursuant to Education Code 47605, the Board may deny a request to expand charter school operations if it finds that the district is not positioned to absorb the fiscal impact of the proposed charter school expansion. The Board shall make this finding if the district has a qualified interim certification pursuant to Education Code 42131 and the County Superintendent of Schools, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the district having a negative interim certification pursuant to Education Code 42131, or if the district has a negative interim certification pursuant to Education Code 42131, or is under state receivership.

Location of Charter Schools

Except when permitted to operate outside district boundaries pursuant to Education Code 47605 and 47605.1, a charter school shall be located within district boundaries. (Education Code 47605.1)

Monitoring Charter School Performance

Any charter school authorized by the Board shall be monitored by the Superintendent or designee to determine whether the charter school complies with all legal requirements applicable to charter schools, including all reports required of charter schools by law, as specified in Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter and any applicable MOU, and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial report or information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, LCAP and annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

Fees/Charges for Supervisorial Oversight

1. Actual costs up to one percent of the charter school's revenue ~~if~~.

2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities

~~1.~~ If the district provides the charter school with facilities under Education Code 47614 and charges the charter school a pro-rata share of the facilities ~~cost~~ costs calculated pursuant to 5 CCR 11969.7, the district may only charge the charter school for the actual costs of supervisorial oversight up to one percent of the charter school's revenue.

~~2. Actual costs up to three percent of the charter school's revenue if the district provides the charter school substantially rent-free facilities~~

3. Actual costs if the district is assigned supervisorial oversight responsibility for the charter school by SBE when authorized on appeal

Technical Assistance/Intervention

Whenever a charter school is identified for technical assistance based on the performance of one or more numerically significant student subgroups on SBE-established criteria, the charter school shall receive technical assistance from the County Superintendent ~~of Schools~~. Such technical assistance shall be focused on building the charter school's capacity to develop and implement actions and services responsive to student and community needs, including, but not limited to, any of the following: (Education Code 47607.3)

1. Assisting the charter school to identify its strengths and weaknesses in regard to the state priorities applicable to the charter school pursuant to Education Code 47605.**(c).** This shall include working collaboratively with the charter school to review performance data on the state and local indicators included in the California School Dashboard and other relevant local data and to identify effective, evidence-based programs or practices that address any areas of weakness.

2. Working collaboratively with the charter school to secure assistance from an academic, programmatic, or fiscal expert or team of experts to identify and implement effective programs and practices that are designed to improve performance in any areas of weakness identified by the charter school. Another service provider, including, but not limited to, a school district, county office of education, or charter school, may be solicited to act as a partner to the charter school in need of technical assistance.

3. Obtaining from the charter school timely documentation demonstrating that it has completed the activities described in Items #1 and 2 or substantially similar activities, or has selected another service provider to work with the charter school to complete the activities described in Items #1 and 2 or substantially similar activities, and ongoing communication with the Board to assess the charter school's progress in improving student outcomes.

In addition, if, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the County Superintendent may request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074. (Education Code 47607.3; 52072)

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to inadequate academic achievement of all numerically significant subgroups of students served by the charter school. **(Education Code 47607, 47607.2)**

Complaints

Each charter school shall establish and maintain policies and procedures in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670 to enable any person alleging the school's noncompliance with Education Code 47606.5 or 47607.3 to file a complaint with the charter school. (Education Code 52075)

A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter and/or an MOU,

provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out of the charter school.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of a charter is denied, a charter is revoked, or a charter school will cease operation for any reason. Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)
