Sequence of Elections

- ❑ Elections Code §11010 requires us to propose a sequence of elections – which trustee areas will hold their first election in 2026 and which in 2028. Three areas must be assigned to the 2026 Election and two areas to the 2028 Election.
- ❑ The maps were drawn without consideration of current or potential Board members, as required by the Fair Maps Act.
- ❑ However, the CVRA and Education Code § § 5017 & 5021(a) require consideration of where the current Board members live of the purposes of sequencing.
- ❑ In accordance with state law, these sequences serve as examples only and will be revised after selection of the final map.
 1. All maps:
 - ❑ 2026 Election: Trustee Areas 1, 3, & 5
 - ❑ 2028 Election: Trustee Areas 2 & 4
