

# Mrs. Cholico's Classroom News

Meadow Lane School

May 4, 2026

## Reading Corner

Our class is currently reading fables and practicing how to retell important details from the stories. Students are learning to identify key events, characters, and the lesson or moral in each fable. This work helps strengthen comprehension and builds strong storytelling skills.

## Math + - x

Students will learn how to round numbers to the nearest ten, hundred, building number sense and estimation skills.

Support your child at home by practicing rounding numbers you see in everyday life.

Please keep practicing your 0-5's multiplication facts.

## Sci/ Social Studies

Our class is beginning a unit on Native American history. We will explore the diverse cultures, traditions, and contributions of Native American groups across different regions. We will focus on understanding their ways of life, respect for the land, and the importance of preserving their histories.

## Dates to Remember

May 7th - Spring Fling

May 25th- No School

May 26th- Talent Show

May 28th - Field Day
