Shamrock Paper Scissors

- At VVCM for St. Patrick's day, we decided to celebrate by playing rock, paper, scissors
- You win a necklace each time you win. Then each 4th period class, whoever had the most beads would win a $5 gift card. We then played a final game at lunch where the winner won a $20 gift card.

Teacher Appreciation Week

- For teacher appreciation week, we had leadership students go out on carts and gave snacks and drinks for all teachers.
- Multiple groups went out and helped with this during one Wednesday in place of the Leadership Meeting.
- The teachers enjoyed this little treat

April Attendance Challenge

The Challenge, lasting for two weeks, was the following:

If you have perfect attendance for two weeks (April 7-21, 10 school days), your name is put in a raffle, and at the next Leadership Meeting, the President will pull a random name in a raffle.

Reed Rodriguez won this challenge, and Leadership suggests that we should do it again next year.
