ADDENDUM NO. 1

QUESTIONS RECEIVED AND ANSWERS

Q.1. Are the electrical lights staying where located? Are we responsible for any electrical work?

A.1 Refer to page 1 and 2 of Technical Specifications, including paragraph 1.1.D regarding buried conduit, and 1.1.I regarding removal of lighting and poles. There is no electrical work anticipated as part of the base bid. The Town may later add lighting to the area, which the added conduits will facilitate.

Q.2. The court size is very undersized:

1. Basketball Court is 102' x 50'
2. Tennis courts is 153' x 102'.
 1. The layout you have given with pickleball courts, 1 tennis court and 1 basketball court does not fit on the existing layout. There just isn't enough room to make it safe to play.
 2. A pickleball court need 30' x 60' (Minimum) and tennis court needs at least 55' Wide with a fence on both sides. Technically the tennis court should be 120' x 60'.
3. Given the current dimensions, if you install the anticipated 4 pickleball courts, 1 tennis court, and 1 basketball courts, there is a severe safety issue with not adequate room to play each sport.

A.2 This addendum modifies the documents to include one basketball court, one tennis court, and four pickleball courts as part of the Contract. See modified Specifications and replacement of Appendix B.

Q.3. Do you have actual dimensions of each space desired?

A.3 The basketball court will be replaced in kind, approximately 100-ft by 50-ft. One tennis court (closest to basketball) will be replaced in kind, approximately 100-ft by 54-ft. The pickleball courts will be approximately 30-ft by 60-ft.

Q.4. What is timeline for project?

A.4 Reference Section 00010-2 for period that bids will be considered valid, and Section 00100, Part 5 for Contract time.

Q.5. Do you have a budget for project?

TOWN OF PUTNAM
CHURCH STREET TENNIS, PICKLEBALL AND BASKETBALL COURT IMPROVEMENTS
ADDENDUM NO. 1
MAY 7, 2026

A.5 Town local funds will be used. There is no construction cost estimate available.

Q.6. Have you considered Post Tension concrete for an alternate?

A.6 This consideration is not included as part in the bid documents. A contractor recommendation or proposal following Contract Award may be considered by the Town.

Q.7. With the fence, are we able to remove fence completely and install new fence all the way around?

A.7 The bid documents include preserving most existing poles as a means of cost savings. A contractor recommendation or proposal following Contract Award may be considered by the Town.
