

Cache County School District

Policy Series 2000: Administration and District Planning

Policy No. 2300

Emergency Preparedness

The Board recognizes that the safety of students and staff is best met by preparedness response which ensures that the health and safety of students and staff are safeguarded, any disruption to the education program is minimized, and students and employees are trained to respond to emergency situations. The Board directs the Superintendent to develop and implement safety procedures consistent with this policy.
