

Cache County School District

Policy Series 4000: Curriculum, Instruction, Assessment

Policy No. 4600

Technology Acceptable Use

Purpose and Philosophy

The Cache County School Board considers technology an essential tool in the educational process. There is an expectation that staff and students will use technology responsibly. To help promote good digital citizenship, the Cache County School District has adopted guidelines regarding acceptable and appropriate use of electronic devices which are warranted in order to serve the educational needs of students.
