BA

Recent investments have delivered specific, high-impact upgrades across our athletic programs and facilities, including renovated tennis courts, a new 5,000-square-foot hitting facility, and a new rubberized track with updated track equipment.

Two teams received new uniforms, pull-overs, and warm-ups, while the baseball field saw an infield renovation and added padding. New training equipment was provided for tennis, soccer, baseball, softball, and archery.

Additional improvements include a locker room renovation, a new 5-gang reel mower and field sprayer, stadium umbrellas, two new sublimated tents, feather flags, a new event backdrop and tablecloths, as well as hotel accommodations and entrance fees covered for state championship contenders.
