    - **Parent concerns**

    None

    Teacher Concerns

    - Friday Pulse… consistently low response rate. Are we paying for this service? Is this something that can be mitigated thru a GForm or other admin communication?
        - Not continuing for 22-23 SY
    - Core Values… Full staff is no longer participating as per admin… Are we still paying for this service? What is the intent?
        - Senior Leadership Team/Administration are attending the meetings. We have not discussed about next year. Item is in the budget.
    - Leader In Me… Advisory period (20min) is NOT long enough to fully develop these concepts with students. Splitting the lesson into 2 days is distracting, inconsistent, and overall a hindrance to learning.

With the lack of training for the lessons (in addition to the already overwhelming demands of teaching their own curriculum), teachers are stretched thin…

- The lesson is designed for 15-20 mins. Use the provided lesson and make it fun and enjoyable. Recently, the leadership team met with the Leader In Me Coordinator. Ms. Gilliam will be providing the lessons.

- 3 CSMs rumor… With CCSD directives and safety concerns, will we have 3? Previously had 2, but now down to 1…
  - We are allotted only 2, working on hiring to fill
- Prep Coverage/Payroll… There are still some teachers that are not receiving timely payments for prep coverage. This is extremely frustrating!!! It pulls down the morale…
  - Understood. With help from new hires, will allow Ann to catch up on backlog.

- **Support Staff Concerns**
  - SPTA for Autism? Empty position all year…
    - Administration has been interviewing the applicants. Continuing to work on it…
