This budget differed from last months presentation because the included the Title 1 funds. Mrs. Young led all present through each page, stopping to ask for clarifications or questions throughout. Student member, Maria Ramirez, voiced her concern over the technology budget and wondered if it included items like projectos for the classroom. She has heard and seen that some teachers are struggling with the performance of their projectors. Mrs. Young said that the budget did make room the replacement of those types of items and that as soon as the new SBT starts in March,

hopefully those types of problems can and will get fixed faster. Voting member, Nancy Sylvanie also asked for clarification if all Title 1 funds were spent and accounted for or if there was a surplus. Mrs. Young said that all Title 1 funds are being allocated and used in the budget.

After reviewing each page and with no more questions, Erin Curtis moved to approve the budget. Mary Whited seconded the motion. Dr. Sylvanie called for a vote and all members voted to approve the budget. The budget passed.
