1.0 Welcome & Roll Call

1.1 Meeting was called to order at 2:38pm

1.2 Maria Ramirez checked in before the meeting but could not stay due to rehearsal for choir.

1.3 The minutes from last meeting were approved with no amendments.

2.0 New Items

2.1 Budget: Mrs. Young informed the members that she is still not sure if there will be a budget cut for next year. She will find out mid to late June if there is a budget cut and how much it will be. Even if there is a budget cut there will still be enough in the budget for science to get their chromebook carts.

3.0 General Discussion

3.1 SOT Trainings: The SOT training that was supposed to happen was cancelled so Dr. Sylvanie did not have anything to discuss during this time.

3.2 Funding Clarification: Mrs. Whited asked Mrs. Young for clarification on how schools get funding. Mrs. Young explained the breakdown and that each school received $3700 per student and the rest of the funding was based on test scores and Title I status.

3.3 Absent Parents: Dr. Sylvanie brought up a concern about the parent members missing so many meetings. She is hoping that next year we can find parents who can commit to coming to more meetings.

3.4 Parent concerns: None

3.5 Teacher Concerns: Mrs. Curtis brought up a concern many teachers were having about monitoring the chromebooks. Teachers feel it is important to have a monitoring software for next year, especially since all the core classes will have chromebooks. Mrs. Young said to get some estimates but that getting software would ultimately come down to budget.

Mrs. Curtis also brought up a concern over the amount of students not in SSA and what we should be doing about it this late in the year. Mrs. Young suggested we announce that, in celebration of testing being over, students will be able to have free dress for the remainder of the year. This will help relieve the dean's office and allow teachers to focus on getting the students ready for their exams instead of focusing on SSA.

3.4 Support Staff Concerns: None

3.5 Student Concerns: Maria came by before the meeting and informed Dr. Sylvanie that she had no concerns from the students to bring forward at this time.

4.0 Information

4.1 Their will be no August meeting. New members will be nominated at the next meeting in September.

4.2 Mrs. Young told the members that the last SOT meeting would be focused on establishing norms for next year.
