Board Participates in KOMA/KORA Training

During a recent special Board of Education meeting, board members participated in training focused on their roles and responsibilities as public servants. The training, led by Board attorney J.T. Seitz, covered the Kansas Open Meetings Act (KOMA), Kansas Open Records Act (KORA), board ethics, transparency, and effective governance practices. The session helped strengthen board members' understanding of how to responsibly and effectively serve students, staff, families, and the community.
