

## Class Proposal

- Please complete all items on this application. Use a separate application for each class you propose to teach. Please note:
- All classes are scheduled at the discretion of the Community Education office. Duplicate classes prohibited; refer to Instructor Handbook page 10 for additional information.
- Classes should be scheduled M-F beginning 4:30pm or later, or Saturdays. \*Summer times are more flexible.
- A submitted proposal is NOT an approved class. If your proposal is selected, you will be contacted to finalize arrangements and complete the necessary paperwork. If you are not an employee of Mustang Public Schools, a criminal background check will be required.
- Class supplies will be the responsibility of the instructor. Supplies can be listed as requirements for enrollees to purchase prior to the start of class. See handbook for details.
- Community Education will add 30% to your fee per person to cover the program's portion.
- You do not need to resubmit a proposal for the same class each session -all proposals will be kept on file.
- Classes will be scheduled one season ahead (ex. if it is currently Spring, we are scheduling for Fall), according to the following deadlines: **June 10 for Fall/Winter (September 1 through January 31) and December 10 for Spring/Summer (March 1 through July 31)**. We encourage you to plan-ahead and turn in new dates/times/ideas as early as possible.
