

2026-27

Mathematics Leadership

— collaboratory —

Reinvigorate your mathematics instructional program!
Build capacity to thoughtfully **improve programs** and successfully launch **instructional materials**.

Join a community of **math leaders** working together to drive **meaningful, effective change in instructional programs**.

- **Prepare** to guide new programs while supporting high-quality mathematics instruction
- **Explore** strategies for supporting teachers in making instructional shifts aligned with the California Mathematics Framework
- **Promote** conceptual understanding, language development, and equitable access for all students
- **Build** systems and structures for initiating, monitoring, and improving your mathematics program
