Parental Notification of Immigration Enforcement Actions Policy

San Jose Charter Academy personnel must receive consent from the student's parent or guardian before a student can be interviewed or searched by any officer seeking to enforce the civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge, or presents a valid, effective court order.

School personnel shall immediately notify the student's parents or guardians if an officer or employee of an agency requests or gains access to a student for immigration enforcement purposes, unless such access was in compliance with a judicial warrant or subpoena that restricts the disclosure of the information to the parent or guardian.
