Budget Fact Sheet Fiscal Year 2026-2027

The Board of Education of the Cheektowaga-Sloan Union Free School District on April 21, 2026 adopted the District's budget for the 2026-2027 fiscal year for presentation to qualified District voters. The proposed budget appropriations of \$44,146,792 represent an increase of \$1,245,705 over the current year's budget of \$42,901,087. The increase in total authorized spending is 2.90%.

The most significant increases in the budget appropriations were in special educational service area, student transportation services and employee benefits. These increases are similar to those experienced by other public school districts and are reflective of services and related costs mandated by New York State.

The major components of the budget are:

- Salaries and benefits are by far the most significant costs in the proposed budget. They total \$25,246,701, which equates to 57.2% of the entire budget
- Contractual appropriations (which include utilities, student transportation, insurance, postage and various other expenditures) are the next largest component of the proposed budget. They total \$11,362,226, which equates to 25.7% of the budget.
- BOCES services (which include services in special education students, technical education, computer support and maintenance, administrative and various other support services) are the next largest component of the proposed budget. They total \$5,180,605, which equates to 11.7% of the budget.
- The remaining 5.4% of the proposed budget includes debt service payments (bonds for school improvement projects), materials and supplies and equipment.

The total tax levy (including taxes levied to property owners and STAR) for the District's 2026-2027 fiscal year is estimated to be \$15,908,549. As compared to the District's total tax levy in 2025-2026 of \$15,754,588, there is an increase of \$153,961 or 0.98%.

School District Report Card

As Prepared by the New York State Department of Education

CHEEKTOWAGA-SLOAN UFSD - NEW YORK STATE REPORT CARD [2024 - 25]

The New York State Report Card plays a critical role in the Board of Regents' ongoing efforts to promote educational equity and improve outcomes for all students. By offering valuable insights into school and district performance, the report card helps guide instructional improvements and enhances services for students. It provides essential public information on staff, students, and key performance metrics, in accordance with the Every Student Succeeds Act (ESSA). At its core, New York State's ESSA plan is designed to create interconnected strategies that support districts and schools, ensuring every student has the opportunity to succeed. New York State is committed to fostering a culture of continuous improvement, where data from the report card is integrated with local data elements to support decisions and actions to address challenges and celebrate progress. This commitment ensures that all students—regardless of their background, location, or circumstances—are given the tools and resources to thrive.

2025-26 ACCOUNTABILITY STATUS AND SUPPORT MODEL BASED ON 2024-25 DATA

For information about how 2025-26 accountability statuses and support models were determined, see [Understanding the New York State Accountability System under the Every Student Succeeds Act \(ESSA\) for 2025-26 Accountability Statuses Based on 2024-25 Results](#).
