Contract Construction

Front Entrance of Morningside Middle School

PROJECT COMPLETE

The new Morningside Middle School is complete. Built on the existing campus, the school remains a focal point of the historic Liberty Hill community. Elements such as the marquee sign and the original façade were preserved to honor the rich history of the school and reinforce Morningside's lasting connection to the community.

The 125,000sf, two-story facility serves 900 students in the 6th through 8th grades. The school includes 30 classrooms, 9 Science labs, 2 Project Lead the Way classrooms, computer and AVID labs, a media center, 4 Fine Art classrooms to support visual and music arts, a cafeteria and a gymnasium to support physical education and competitive basketball and volleyball.

PROJECT DATA

Scope: New middle school for 900 students in grades 6th, 7th, and 8th.

Project Budget: \$66,000,000

Schedule:

DD Design Completion: June 2023

Permit Completion: January 2024

Construction Start: July 2024

Building Occupancy: December 2025

Project Complete: January 2026

Square Footage: 125,000 SF
