## Single Subject Endorsements

In some circumstances, teaching on a license for conditional assignment may replace the practicum requirement. Permission of advisor and Director of the School of Learning and Teaching is required to waive the practicum. Endorsements may be added in the following subject areas:

- ▶ Art
- ▶ Business
- ▶ Drama
- ▶ World Languages (Chinese, French, German, Japanese, Russian and Spanish)
- ▶ Health
- ▶ Language Arts
- ▶ Marketing
- ▶ Mathematics (basic and advanced)
- ▶ Multiple Subjects
- ▶ Music
- ▶ Physical Education
- ▶ Science (biology, chemistry, integrated science and physics)
- ▶ Social Studies/Social Science

### Elementary Multiple Subjects Endorsement-21 credits

EDUC 604	Advanced Educational Psychology, Development & Learning
EDUC 668	Learning & Teaching: Expressive Arts

## Special Education Endorsement 24 cr.

---

Individuals who hold a current teaching license and wish to add a special education endorsement may enter this 18-month program of coursework and practicum experiences. The 18-month online Special Education Endorsement Program will prepare teachers to work with early childhood to high school and beyond students with disabilities that range from mild to profound. Candidates must complete a practicum but may not register for the practicum until testing and coursework requirements are fulfilled.

The program is designed for the following:

- Teachers on a License for conditional assignment (LCA) who are the teacher of record in a special education classroom
- General educators who would like to become special educators
