

# BOUNDLESS HORIZONS

Providing tailored services for kids and adolescents with autism or other developmental challenges.

Boundless Horizons is an after-school program designed to offer therapeutic support to children and adolescents with autism, intellectual and developmental disabilities, or other behavioral and mental health challenges.

Our personalized curriculum offers access to our creativity and computer labs, gymnasium, sensory room, and a special relaxation station to help kids prepare for the transition home. Providers use interactive activities such as art, sports, games, gardening, and more to practice emotional management, increase positive behavior, and improve self-esteem and confidence. These activities also help your loved one develop coping, social, and interpersonal skills.

Boundless Horizons is a Medicaid-billable service, and a self-pay sliding fee option is available. We provide free pick up and transportation from select schools. Transportation home from Boundless may also be available.

**Where:** Boundless Medina, 1065 Medina Road Medina, OH 44256

**When:** Boundless Horizons is available Monday through Friday, 2:30 - 6 p.m. after school and during extended school breaks. A summer session is also available.

## About Boundless

Our family of nonprofit companies has forty years of expertise providing person-centered care to children, adults, and families with intellectual and developmental disabilities and behavioral health challenges.
