

ALBUQUERQUE PUBLIC SCHOOLS

Career Enrichment Center

Practical Nursing Program

Expect Great Things!

Patrick Arguelles

Principal, CEC

Rebecca Tawney Weatherford

MSN, FNP-BC

Program Director

Parent/Guardian Authorization to Participate

The Practical Nursing Program prepares students to enter the job market in the healthcare field. Areas of instruction include basic anatomy and physiology, basic nursing skills, ethics, death and dying, medical terminology, disease process and infection control. Instruction will be provided in the classroom, the classroom laboratory and community healthcare settings. These learning experiences are conducted in a clinical and professional manner. Students will provide hands-on care to classmates in the classroom laboratory sessions in areas of personal hygiene, nutrition and ambulation. Students will be a “patient” in classroom laboratory sessions allowing other students to practice nursing skills. Students are expected to conduct themselves in a professional manner in these settings.

Some of the topics covered in this course could possibly be considered controversial. In keeping with the Albuquerque Public Schools policy concerning guest speakers and audio-visual materials that may be included in this program, we require parental permission for your daughter or son to participate in these classes. Please sign this form indicating that your daughter/son has your permission to participate in the Practical Nursing Program.

I, the parent/guardian of _____ (print student’s name), give my permission for her/him to participate in the Albuquerque Public School Career Enrichment Center, Practical Nursing Program.
