Proof of Health Insurance

Dear Parents,

It is a requirement of healthcare agencies and institutions that all student nurses be covered by accident (**health, not** vehicle) insurance. Many healthcare insurance policies cover accidents that may happen during a clinical experience/school.

Insurance can be purchased from a private carrier or from the State of New Mexico. See Links: <https://yes.nm.gov/> - Use for Medicaid, SNAP, and other state assistance.

Health Insurance Marketplace (BeWellNM): <https://bewellnm.com/> - Use to shop for private plans, often with subsidies.

_____ is covered for accident/health care insurance through:
Student Name

Health Insurance Carrier: _____
Name of Carrier

Please make a copy of the health insurance card and email to: kious@aps.edu

Sincerely,

Rebecca Weatherford, MSN, FNP-BC
Program Director
