

Albuquerque Public Schools

Parent Permission to Photograph/Record

Many programs, activities and events taking place in the Albuquerque Public Schools are of interest to the public. Often civic, educational, student and other groups are interested in learning about our students and programs. From time to time, we produce or allow to be produced photographs, video recorded programs, and films to provide information to the public about our programs. In addition, newspaper coverage, broadcast television and radio programs, and cable television programs sometimes feature our classes and activities. When any such video tape, audio recording, film or photograph is produced and released, it becomes the property of the party to whom it is released, and it may be replayed or reprinted at a later date.

Please sign below giving us your permission to include your child in such photographs, films or recordings. We appreciate your help presenting students and programs to the community.

Granting Permission

I/we have read and understand the above information. I/we hereby give permission to the Albuquerque Public Schools and the news media to photograph, film or record classes or activities in which

_____ (print student name)
is participating and to use these photograph, films, or recordings for educational programs and/or to release them to the news media for use in its educational news coverage.
