Dear Families,

It's our pleasure to invite you to our annual FCUSD Elementary Spring Showcase concert performance. The showcases include performances by all 4th and 5th grade students. The students are proud to share all of their musical accomplishments with their families.

While this is entirely optional, students are encouraged to dress nicely or in black or dark pants/shorts/skirts and white or light color tops on the day of the concert. They should arrive looking and feeling their best. This includes getting a good night of sleep, drinking plenty of water, practicing their music and arriving at school on time.

Lastly, please remember that every student has worked hard to prepare for this concert. In order to ensure a positive experience, we are requesting all audience members to remain seated for the duration of the concert and refrain from cell phone usage. This will ensure everyone has the benefit of a full audience. A supportive audience is an important element of a great concert. We hope you will help us set a great example for the students and school community.

We look forward to seeing you very soon!

Sincerely,

The Sandra J. Gallardo Music Team:
