These sight words should be memorized by end of the year. These are the final words for kindergarten. This is the final push to make sure your child has all the words mastered before first grade.

Please make flash cards at home to help practice these words. They cannot be sounded out. They just need to be memorized.

they, there, their, all, call, use, more, been, out, about, would, could, people, first, oil, find, long, part, over, down

There will not be a spelling test this week! Don't forget to practice over the summer!!!

Ways to practice this at home:

- Use movement like running in place or jumping jacks, while spelling them out loud.
