- All school fees must be paid prior to receiving cap and gown. Check Infinite Campus for account balances.

Wednesday, May 27th - Baccalaureate @ MHS Performing Arts Center at 7 pm.

Wednesday, June 3rd - deadline for seniors who need extended time beyond May 29th to complete work to meet graduation requirements. All work must be submitted by 3:00 pm in order to be eligible to walk at Commencement on

June 5th. No work will be accepted after this date to be eligible to walk in Commencement.

- Students should work with their teacher and school counselor.

Friday, June 5th - Graduation Rehearsal at 10:00 am & Commencement at 7:00 pm @ MHS

- All seniors are required to attend rehearsal. Students will meet in the auditorium at 10:00 am sharp. This will last approximately 1 hour.
- Seniors need to be at MHS in their advisors room at 6:15 pm.
- Commencement is being held at Memorial Stadium on the High School Campus. Gates will open at 5:30 pm. Stadium seating can be accessed through the west and east gates. Seating is unlimited, no tickets are required, and we welcome family and community support for our graduates. Parking is available at Little Mountain Elementary, the east and west lots at the high school, and at Eastview Elementary.
- In the event of inclement weather, the ceremony will be moved into the High School Fieldhouse. Seating for an indoor ceremony will be limited, and tickets will be dispersed. Additional communication will be shared if needed.
- Commencement will be followed by the All Night Grad Party for 2026 graduates - specific information can be found here: **All Night Grad Party Link**. All seniors that register by May 14th will be guaranteed a t-shirt.

Additional information and reminders to ensure a good finish with the year for all students and families.

MHS will not be coordinating and organizing an end of the year senior field trip. Seniors will be celebrated on May 29th, as they will take a walk through elementary buildings and middle school and then be dismissed at approximately 11:00 am.

A reminder for all students, seniors in particular; all students should continue making good choices and follow all MHS handbook guidelines. Attendance still matters with academics and athletic opportunities. Any disruptions to the school and learning environment / pranks / vandalism will not be tolerated and consequences, such as the privilege of walking at the commencement ceremony, will be part of any follow through.

In reflection, the 2025-26 school year has been exceptional, and our seniors have been solid leaders within the building to help make it so. We want a strong finish, and that takes responsibility from each one of us for the last stretch.

Respectfully,

MHS Administration
