Matawan-Aberdeen Regional School District

Welcome

Welcome to a meeting of the Matawan-Aberdeen Board of Education. We are always pleased when members of the community attend our meeting. The Board welcomes the participation of interested organizations and individuals, and schedules time for public comment, discussion and input. Persons who have questions about specific school practices, incidents or events are encouraged to directly contact the school administration.

The Board regularly holds two meetings per month. The 2nd Monday of each month is the Committee of the Whole Meeting and the 4th Monday of each month is the Regular Action Meeting, unless otherwise scheduled or announced.

Board of Education Meetings

These meetings are reserved for Board deliberation and for review of items contained within the agenda. The Board reserves the right to vote on Action items. Public comment shall be permitted early for thoughts and reactions on items of concern regarding the agenda. Each participant is asked to give his or her name and address prior to making a statement or asking a question. In addition, time will be allotted at the end of the meeting for public comment on any item. Speakers shall limit their comments to three minutes.

Statement of Adequate Notice

“The New Jersey Open Public Meeting Law was enacted to ensure the right of the public to have advance notice of and to attend the meetings of public bodies at which any business affecting their interest is discussed or agreed upon. In accordance with the provision of this act, the Matawan-Aberdeen Regional School District Board of Education advertised this meeting on May 22, 2025 in the Asbury Park Press. This notice was sent to the Municipal Clerks of the Borough of Matawan and the Township of Aberdeen, and the Matawan-Aberdeen Public Library. The notice was also placed on the district’s web site.”

Public Participation at Board Meetings

The Board of Education recognizes the value of public comment on matters of interest to the school community. Individuals wishing to speak must state their name and address. Comments are limited to three minutes’ duration, but an individual may speak a second time after all others who wish to speak on the topic have been heard. All statements should be directed to the Board President and no participant may address or question Board members individually. All speakers are requested to express themselves in a civil manner, with due respect for the dignity and privacy of others whose legal rights may be affected. Please note: While it is not the Board’s intention to stifle comment on matters of legitimate concern, the public should be aware that if their statements violate the rights of others under the law of defamation or invasion of privacy, they may face personal liability to the injured party. If speakers are uncertain of the legal ramifications of their comments, the Board urges them to seek guidance beforehand from their own legal advisor.

Executive Sessions

Be It Resolved, that a closed session be convened for the purpose of discussing Privacy, Personnel Matters and Legal Advice. The subject matter of these discussions will be disclosed to the public when the reason for confidentiality subsides. Although the Board cannot guarantee it, the length of the Executive Session is estimated to be _____ minutes after which the public meeting of the Board shall reconvene and proceed with business. Action _____ take place.

We believe that a broader school nurse experience would enhance the student's ability to identify actual and potential health problems of individuals, groups, and communities. Furthermore, we believe this experience will enhance their ability to identify problems and develop strategies to address the health needs of diverse populations, integrate skills of community health assessment, intervention and evaluation and develop population focused health care.

All Seton Hall University nursing students are well-prepared for this clinical rotation. They have undergone criminal background checks, drug screenings, completed CPR training, and current malpractice insurance. They are up to date with all vaccines mandated by the Hackensack-Meridian Healthcare System, Atlantic Health System and the RWJ-Barnabas Healthcare System.

The Superintendent recommends that the Matawan-Aberdeen Regional School District Board of Education approve an agreement with Seton Hall University to allow student nurse observers to shadow the district nursing staff.

5. Urging Relief from Rising Public School Employee Health-Care Costs - District 12 (Matawan)

WHEREAS, At a time of continued fiscal uncertainty and mounting challenges, local boards of education from across the state of New Jersey continue to suffer under the growing crisis posed by the rising cost of health benefits and are desperate for relief; and

WHEREAS, Despite record levels of state investments in public education, these school districts are facing fiscal pressures similar to those confronting the state budget, including the unsustainable growth in health-care premiums and the mounting insolvency of the state's public employees health benefits programs; and

WHEREAS, Both within the School Employees' Health Benefits Program (SEHBP) and the private market, year-over-year double-digit increases are placing tremendous strain on district budgets and local taxpayers alike; and

WHEREAS, Governor Sherrill and legislative leadership have publicly acknowledged the urgent need to address rising health-care costs and the challenges facing the state's health benefits plans, including both the state and local portions of the State Health Benefits Program and the SEHBP; and

WHEREAS, The seriousness of this issue is underscored by the mid-year SEHBP analysis released by the Treasury Department in March 2026, which concluded that "based on these projected losses and building in future trends, active premium rate increases for 2027 are likely to be in the double digits;" and

WHEREAS, These projected increases would follow the 31.9 percent premium increase that took effect in January 2026, further exacerbating an overall premium increase of nearly 74 percent in the preceding five years; and

WHEREAS, This growth in health-care costs far exceeds inflation, state aid increases and the fiscal capacity of local communities; and

WHEREAS, Rising health-care premiums are consuming an ever-larger portion of already constrained school district budgets, forcing difficult decisions that directly affect students, staff and educational quality; and

WHEREAS, These cost pressures also have significant consequences for taxpayers, as districts are often compelled to utilize the full extent of their available tax levy, even after which many districts remain unable to fully offset these increases due to the constraints of the property tax levy cap, despite the limited health-care exception; and

WHEREAS, For the families and students these districts serve, the downstream consequences — including district deficits, program cuts and school closures — mean the loss of community stability, continuity of services, and in many cases, access to the specialized supports that our most vulnerable students depend on; and

WHEREAS, These are also precisely the conditions that erode student achievement and weaken the family engagement that is central to strengthening New Jersey's public schools; and

WHEREAS, Implementing real, sustainable solutions to the rising cost of health benefits and reforming how benefits are delivered through the SEHBP would demonstrate the Governor's and Legislature's leadership and continued commitment to New Jersey's students, educators and families, which directly advances our shared goal of affordability and effective, efficient government for all New Jerseyans.

NOW, THEREFORE, BE IT RESOLVED, that the Matawan-Aberdeen Regional School District in the county of Monmouth calls upon the Governor and State Legislature to provide immediate, short-term relief from the unsustainable increased health-care costs experienced by school districts in recent years; and

BE IT FURTHER RESOLVED, that the Matawan-Aberdeen Regional School District in the county of Monmouth urges the Governor to engage in meaningful engagement with all affected stakeholders to develop and implement practical long-term reforms to the state’s system of delivering health care to its public employees in order to generate meaningful, long-term savings; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to Governor Mikie Sherrill, State Treasurer Aaron Binder, Senate President Nicholas Scutari, Assembly Speaker Craig Coughlin, State Senator Owen Henry, Assemblyman Robert D. Clifton, Assemblyman Alex Sauickie and the New Jersey School Boards Association.
