ELEMENTARY PRINCIPAL MRS. MALONEY

PREPARING EVERY LEARNER TO ENGAGE FULLY AND COMPETITIVELY IN EDUCATION TO ACCOMPLISH EXEMPLARY SUCCESS AND ELEVATED EXPERIENCES IN LIFE.

Pre-Service Teacher Experiences at DVES 2025-2026

- We love to partner with local colleges and universities to provide experience for pre-service teachers. This year, we have worked with USD, University of Nebraska-Lincoln, Wayne State College, Western Iowa Tech, and Buena Vista University. We have hosted two student teachers, in 3rd grade and a shared placement in Kindergarten/Special Education. We also had four student interns with a variety of requirements in each grade, Kindergarten, 1st grade, 2nd grade, Art, and ELL. I'm so proud of our teachers for their willingness to be mentors and hosts for those individuals coming up in the field of education, and I know that when they are here, they are getting a great experience!
- This year we also hosted nine DVHS students for multiple observations in 2nd and 3rd grade classrooms as part of their *Foundations in Education* class. We love seeing our former students who have a desire to become educators in the future.

Kids Heart Challenge

- This year over 50% of our students registered online and raised over \$10,000 for the American Heart Association. This results in \$1,750.00 being put back into our building for healthy-kid resources, specifically for our playground and for recess activities. We also had 85 families learn hands-only CPR with 61 of those students completing Finn's Mission which includes learning the warning signs of a stroke. Mrs. Blaeser's class got a popcorn and juice party for being the top fundraising class of the challenge!

End of Year Special Events

Our students have a variety of learning opportunities inside and outside the building at this time of year!

- The 3rd graders traveled to the Washington Pavillion in Sioux Falls.
- The 2nd graders traveled to Adam's Homestead & Nature Preserve and Westshore Acres as part of their Life Science learning unit and will present their "Animal Safari" at the end of the week.
- Our Kindergarten students are learning the life cycle of a butterfly and are watching caterpillars emerge as butterflies they will release next week.
- Our JK-3rd graders participated in Field Day, planned and hosted by Mr. Ryan and the specials teachers and was held at the DVHS track.
- Our 1st graders had Peoples National Bank present to them about saving and spending money.
- The 2nd grade students got a presentation from Mr. Breed on beekeeping and the intricate workings of a beehive.

3rd Annual DVHS Graduate Walk

- The Friday before graduation, the graduating seniors did the 3rd annual graduate walk through the elementary halls so we could wish them well from the building where they started!

Gotta Brain?...Getta Helmet!

- On May 11th, our 2nd grade students attended a bike safety assembly put on by Opportunities Unlimited. This assembly is part of a grant initiative they secured to provide a bike helmet to every local 2nd grader. Mr. Fisher has been teaching bike safety lessons to the 2nd graders to prepare them for their helmets. This is the fourth year Dakota Valley Elementary's students have received this gift!

Every Learner. Future Ready.

8th Grade Authors

- For the third year, the DVMS 8th graders in Mrs. Widman's Language Arts classes shared the children's books they wrote with our 1st graders to show how readers are writers. Our students love to be around the 'big kids' and we enjoy being the authentic audience for their writing!

Panther of the YEAR

We got the honor of celebrating our Panthers of the Year on May 6th and 7th. We started a new tradition of holding a Panther of the Year celebration assembly to announce our winners, share the nomination narrative written by their teachers, and we hosted their families for this event.

Rotary Essay Contest

Audrina Harlen was invited to share her award-winning Rotary Essay during the Rotary luncheon in April. She did an amazing job!

Spring Concerts

Our 4th grade had their end of the year show and gave us a great performance featuring classic rock songs set to a nursing home story. It was well done and fun to watch!

Our 5-12th grade band performed their final concert of the year, ending the concert with a 5-12th grade all band finale. This was a great way to bring the band community together and a stunning finish to the concert.

Our 5th-12th grade choirs had their final concert of the year, highlighting songs from movies. The kids performed well and had a great time together!

Staff Appreciation Days

In April, we celebrated our School Secretaries, Dena Wingert and Candy Moore, who truly run the entire building and keep us all going. We got to celebrate our amazing School Nurse, Sarah Shoumaker on Wednesday, May 6th, and celebrated our teachers throughout the week of May 4th-8th. We had a variety of ways that we celebrated – through announcements, personal notes from students, handmade name signs, a special video, meals, and goodies.
