May 8, 2026

Dear Antheil Families,

In an effort to further enhance the safety and security of our students and staff, Antheil Elementary School will begin utilizing the **Visitor Aware** visitor management system beginning **Monday, May 11, 2026.**

Visitor Aware is a visitor management and screening service designed specifically to help secure schools by improving visitor tracking, maintaining accurate records of school visits, and enabling visitors to receive emergency notifications while in the building. As part of the check-in process, the system also screens visitors against Megan's Law and other safety databases.

Beginning May 11th, **all visitors entering the school building will be required to provide a valid, non-expired state-issued photo ID (such as a driver's license)** when checking in. ***Please note this must be a physical ID, and not a picture on a cell phone.*** This identification is required for the system to properly verify and process visitor check-ins.

Please note:

- Visitors must present a valid state-issued photo identification card.
- Military CAC cards cannot be accepted.
- The system collects identification information solely for visitor verification and school safety purposes.

The following information may be collected during the check-in process:

- ID NumberFirst, Middle, and Last Name
- ID Expiration Date
- Date of Birth
- Address
- Sex
- Photograph

These updated protocols have been implemented to provide an additional layer of security for our students, staff, and school community. We appreciate your cooperation and understanding as we continue working to maintain a safe learning environment for everyone.

Thank you for your continued support.

Sincerely,

Clifford Harrison, Principal
