

2026-2027 Fifth Grade Supply List

30 Liter backpack with a laptop sleeve - The backpack will be heavy. Please consider one with wheels.

2 Inch, plastic covered, durable three-ring binder - NO cloth, padding, pleated folders or zippers. These are too big to fit in their backpacks. Try to get a binder without pockets on the inside cover. If you cannot find one, please remove the pocket(s) with a box cutter or scissors. Pockets are too often used as a place to stuff papers. We will be teaching the students how to use their binder as a filing system.

Three-ring binder pencil pouch no boxes

Pencils

White eraser

Small manual pencil sharpener for the convenience of students and teachers

Colored pencils 8-12 pack only

1 highlighter – skinny in size

2 Red pens – no gel because they leak through the paper

8 Dividers without pockets, Divider Labels: Homework-1st divider Reading Grammar Math
Social Studies Writing Spelling Science

Small packages of tissue to be kept in backpack for the convenience of students and teachers

Glue sticks used often throughout the year

Earbuds headphones are too big to carry in backpack

Wide-ruled loose leaf notebook paper

PLEASE never Reinforced Paper – teachers need the margins to make comments

PLEASE never college ruled paper – Fifth grade cursive writing is difficult to read. The wide lined paper helps by providing more space for the students to form their cursive letters.

3 Composition books wide-ruled only

For reading class - Sophia's War by Avi and Wonder by RJ Palacio

The above items should be removed from their packages and the binder needs to be assembled before the first day of school.

Since each teacher is different, please do not include the items below in the Back-to-School Supply Kits
