March Cougar News

From the Principal's Desk

As we prepare for our upcoming testing season, your partnership is vital to your child's success. We ask for your help in prioritizing consistent attendance, as being present and on time ensures your child is able to learn required material and stay on target. Please encourage your child to stay focused, get plenty of rest, and arrive with a positive mindset these next few weeks. We are so proud of their hard work this year and want to ensure they have every opportunity to shine. Thank you for your continued support!
