6th Grade Supply List 2026-2027

Dear Incoming 6th Grade Student,

It would be a good idea to start collecting supplies for the fall. The stores are probably not well stocked yet with school supplies, but some things can be picked up as you go through the summer. Students will receive their locker number on their schedule and are encouraged to set up their locker before school starts.

On the first day of class (Monday, August 10), **please bring these supplies with you:**
