

River Bluff High School
School Improvement Council Meeting
February 23, 2026
6:00-7:00 PM
Library

Agenda

- I. Welcome and circle up**
 - a. An “aha” and a wonder you had from the community conversation in January
- II. Principal’s Greeting and Status Report- Jacob Smith**
- III. CREW- what is happening so far- Britt Collins**
Winter Sports coming to an end, Spring sports happening, Fine Arts (Shrek, orchestra, etc), CREW- Srs roller skating, Soph going to Top Golf, Upcycled Runway happening, SLFC were Feb 12
- IV. 4 priorities for SIC for 2025/2026- revisit where we are**
 - A. Address student freedoms not used wisely. This includes supporting students with learning how to study wisely and learn critical thinking.
 - B. Have more focus on non-traditional professional ideas. This goal is to address the 12% who are not meeting college/career readiness standards.
 - Review ways to meet the College/Career readiness standard in a HS
 - List of businesses willing to work with a HS intern (district looking into this)
 - C. Find ways to reach all families and students who are slipping through the cracks by also including all learning styles.
 - D. Further explaining the importance and difference of Dual Enrollment and AP courses in order to better help students make/understand decisions related to their future paths.
 - Document created for this
 - Student panel to get student voice on this
- V. At this mid point, are there any areas we need to add or eliminate from our list of priorities?**

Minutes

Circle up was good- everyone participated

Jacob gave a report and Britt Collins gave a report

Quickly debriefed the Community Conversation from January- lots of community participation; well attended; proud to represent RBHS

Revisited 4 priorities- this is still the work that we feel centered on for this year-

Student panel- informative; 2 students representing AP courses and 1 student representing Dual Credit; Both have their place in a high school; both offer benefits and both are largely dependent on the student; Recommendation- having a student/parent panel in the fall to talk through some of this information

No need to add anything to our priority list for this year

Meeting closed
