Traffic Pilot

Thank you for your continued support of our traffic pilot. **The new traffic patterns will continue through the remainder of the school year.** These changes are an important part of improving the safety of students and staff, and will help guide changes to campus roadways and sidewalks during the Capital Project work.

Capital Project Groundbreaking

Construction on the high school addition is scheduled to begin as soon as the school year ends. We will be sharing updates throughout the summer as this exciting work unfolds. Stay tuned!

I look forward to seeing you at our campus events in the coming months.

Sincerely,
Gail Duffy, EdD
Superintendent of Schools
