Summer Assignments

AP Calculus BC

Episcopal Collegiate School

To access summer work for AP Calculus BC, please go to this link (https://www.khanacademy.org/join/KSV7MCPY) and join our class with your Khan Academy account. If you do not already have a Khan Academy account, please create one using your school email and password and an appropriate username. There will be several short videos and practice assignments along with a few short assessments to gauge understanding. Please make sure to go to the **assignments** tab to work on the correct material. These assignments will be available for you to work on all summer at any time that is convenient for you. If you have any questions about the summer work or the upcoming course in general, please feel free to reach out to Mr. Lester at jlester@episcopalcollegiate.org.
