Hasty Elementary Title I Parent and Family Engagement Policy

The Title I Every Student Succeeds Act (ESSA), a federal program, provides additional money to qualified schools. At Hasty Elementary, we believe that by working together we can help your child reach his/her full potential.

Hasty Elementary will ensure that all families are provided the opportunity to sign a compact to help students succeed. The School-Parent-Student Compact shows ways to make sure that every student meets state performance standards.

The goal of the Hasty Elementary Title I Program is to reach all parents and families in a team-building effort in order to comply with all State and Federal requirements of Section 1116 of the Every Student Succeeds Act of 2015.

Hasty Elementary shall:

- convene an annual meeting
- offer a flexible number of parent-family meetings, workshops, and conferences that will lead to improved student achievement
- involve parents and families in an organized, ongoing, and timely way in the planning, reviewing, and improvement of programs
- provide all staff members professional development focused on ways to encourage parent and family engagement
