O Castro Summer Experience 2026:

OUTDOOR - STEM - PERFORMING ARTS

WHAT TO EXPECT FROM OUR SUMMER CAMP?

- **Outdoor adventures:** Activities designed to enjoy nature, including weekly trips to the outdoor pool in Mos.
- **STEM and robotics LEGO:** Making dreams come true through technology, engineering and robotics, fostering creativity and innovation.
- **Performing Arts:** Weekly presentations in our Black Box theatre, where campers will show their progress through engaging performances.
- **Green Zone and Gardening:** Our Green Zone offers hands-on gardening experiences and outdoor learning opportunities that also foster environmental awareness and respect for nature.
- **Excursions every Friday:** For all age groups except the youngest (Baby Camp for two to four year olds), which may vary depending on the weather conditions.
