BOB Team Info

I, _____, pledge to read **4** BOB books by January. I will also learn all the authors and titles by January. I understand this is an important part of competing and this will help my team compete well against the other middle schools in the county.

I will attend practices as much as I can and will let Mrs. Howell know ahead of time if I cannot make it.

I will take notes on the books I've read to help me study and remember all the details for the competition.

I will be a good BOB teammate, encourage my teammates, and help them study author/titles and quiz them on the books they've read.
