Dr. Pullo mentioned the Laptop Computer Use and Integration report and asked if there were any questions concerning the report. Mr. Spinola asked what the plan was for continued usage of the laptops. Mr. Storm explained that the teachers were further introduced to the laptops at the staff development day on Tuesday, January 20th. The goal is to get more technology integrated across the curriculum. In addition, a keyboard program is being viewed which is roughly 1/3 the price of a laptop. Dr. Pullo added that the board was concerned about usage, breakage, the re-configuration that will take place in the future, and the equity that would be needed across the district. This needs to be looked at in more depth.

Remainder of report was Informational on upcoming events. An enrollment report was attached for review along with a parent letter.

- ♦ James Spinola commented on the enrollment listed on page 45 and the class sizes. He asked how the classes are split up. Dr. Pullo replied that it is all based on the budget. To split more special education students among more teachers would require additional special education aides for support in each class. Dr. Pullo assured Mr. Spinola that when the budget proposal is presented he would be very much involved in these decisions.
- ♦ James Spinola also asked how the conference reports are shared with other teachers. Ms. Rissmiller replied that at each building level, these reports are shared among the teachers. In addition, some of these "learning experiences" are incorporated in the Academy classes that are taught by the teachers to their peers.
