

Today, our Spartan Nation came together during all lunches to unplug, connect, and have meaningful conversations about how we can continue building a safer and stronger school community.

Students, staff, and administrators shared ideas, listened to one another, and showed what it truly means to support each other as one Spartan family.

A very special thank you goes out to our incredible school and community donors whose generosity helped make this event possible. Whether through financial support or donating supplies, your kindness and commitment to our students truly made a difference. We are so grateful for the way our Spartan community continues to show up for one another.

A Super Special Spartan thank you goes out to Weis (Store 093 in Waldorf) @weismarkets, GiGi's Cottage Bakery @gigiscottagebakery, The Mecca Sports Complex @themeccasportscomplex, and MCDA Brands @mcdabrand.

Thank you to everyone who participated, signed their name in support of our community, and helped make today such a positive event. And of course, thank you to everyone who helped serve up the hot dogs, chips, and water!

When Spartans stand together, we create change together. Stronger together. Safer together. Spartan together.
