"The Power Of Belonging"

ARTIST STATEMENT (Required for all entries) In 10 to 100 words, describe your work and how it relates to the theme.

"The Power Of Belonging" shares a powerful message:
"I Belong."

I draw a circle of hands, each one unique, representing people from different cultures and backgrounds, all joined together in unity. At the center is the globe, with the USA in focus, reminding us that this is a place where everyone should feel seen, valued, and included. The circle shows that despite our differences; we are all connected. Belonging isn't about being the same, it's about being accepted and valued for who you are.
