

Dear Families,

This week, our school community will focus on the character strength of **Leadership**. Leadership means valuing each person in your group and encouraging everyone to do their best.

Leadership can be formal, like being a team captain, or informal, like helping others work together. It's about getting things done while keeping the group's spirit strong. Leadership isn't just about telling people what to do — it's about listening, understanding others, solving problems, and inspiring everyone to work toward a common goal.

As students learn more about leadership, they will see how working together with others can help them achieve more. Being a good leader helps build confidence and a strong sense of self.

To practice and encourage the character strength of leadership at home, please visit The Positivity Project's mobile-friendly P2 for Families (available in [English](#) and [Spanish](#)), where you will watch a video together and discuss a quote and three questions. Below are links to this week's P2 for Families lessons. Click on the grade level that best meets your child's needs.
