

KINDERGARTEN SCREENING INFORMATION

BUCKEYE PRIMARY SCHOOL
3180 COLUMBIA RD. MEDINA, OH 44256

WHAT IS KINDERGARTEN SCREENING:

Kindergarten Screening is a brief but valuable assessment that provides a snapshot of each child's development across multiple areas, including speech, language, cognition, perception, and fine and gross motor skills. This is not a test of readiness but rather an opportunity to better understand each learner's unique strengths and needs. The insights gained help us create a supportive and successful start to their school journey.

SCREENING TIMES:

Kindergarten Screening for the 2026-2027 school year has been completed. If we did not meet your student at screening, we will have the opportunity at Kindergarten Orientation to get to know them.

HOW TO SIGN UP FOR A SCREENING SESSION:

PARENT INFORMATION MEETING:

While your child participates in their 1 hour screening session with our dedicated Kindergarten staff, parents are invited to attend a 1 hour informational meeting. The session will provide essential details about the registration process, Kindergarten orientation, and what to expect as your child starts school. Whether you're a first-time Kindergarten parent or have been through this journey before, we encourage you to join us and gain valuable insights into this important transition.
