

Elective Focus Guidelines

An Elective Focus is a focused program of study. Three (3) credits must be earned in one of the programs of study listed below. These 3 credits are in addition to the required credits for graduation.

The Elective Focus areas are

Math / Science

- This includes any Math or Science class above and beyond the seven (7) required Math and Science courses for graduation. A student must earn at least 10 credits in Math / Science to have a Math / Science Elective Focus.
