5. STUDENT MEMBER'S REPORT
A. Olivia Black and Ava Moses
Ava Moses reported on the Seniors walking to JCC on 4/21/26 to tour the facilities and sit in on a panel dicussion of current JCC students to discuss 2-year vs. 4 year college.
A career test was administered to the student and lunch was served.

Olivia Black - Unified Basketball will be at St. Bonas on Friday 4/24, shows a great sense of community with all types of students, and meet new students who are not in classes with you.

6. BOARD REPORT
A. BOE President, Cathy Young

- The BOE President talked about the upcoming budget proposal despite it being stalled at the state level.
- Aubree Malick and Cathy Young have been going to the Code of Conduct meetings. Lauren Stuff, WW Principal, is leading this committee. There will be some changes that will focus on consistency.
  The BOE would like to see the Code of Conduct addressed on staff development days. Another goal is more parental involvement and awareness of the Code of Conduct.
  There will be a public hearing on the 26-27 Code of Conduct before presented to the Board of Education for approval.

7. SUPERINTENDENT'S REPORT
A. Strategic Plan Update

1) Jen Kless, Director of Curriculum & Instruction provided an update on the Strategic Goals as they relate to Curriculum.

- ELA - Currently in year two of the K-8 Reading Program implementation with a focus on assessments and writing (cursive, manuscript and keyboarding).
- LETRS - A total of 22 teachers and 3 administrators a are participating in this program.
- Math-Year one of implementation for Grades 4 and 5, with K-3 beginning implementation in Fall 2026. After much research and discussion, Grades 6, 7, and 8 teachers determined that the current curriculum is aligned with the New York State standards and a new national program would require a lot of work to align it with New York State standards.
- Science - a needs assessment committee worked for a K-8 Science curriculum. The CA BOCES Science Kits have been used since the early 1990's, and although updated, after researching the gap analysis report, CA The Science Needs Assessment Committee determined that Inspire Science K-5, and McGraw Hill's Inspire Science 6-8 would best fit the needs of the District due to it's hands on activities and the volume of content to teach. The approval for this program will be brought to the Board of Education for approval in June.
- Standards-Based Report Card Redesign - The goal of this redesign is to construct a family-friendly report card develop a Report Card Guide for families and assemble a family friendly overview of the NYSED Learning Standards at each grade level.

The BOE expressed gratitude to Jen Kless for her hard work and dedication in working with the teachers to find these updated curriculums that best meet the needs of the students and teachers alike.

2) Dr. Morris provided an end of year review on the Strategic Plan for the 25-26 School year.
Mission and Vision Statement was updated 3 years ago with 5 strategic plan anchors:

- Create and Support a Positive Culture
- Maximize Success for All
- Data-Driven Decision Making
- Progressive and Enriching Learning for All Students
- Engaging Parental and Community Involvement

Dr. Morris shared the State of the District and proficiency in all areas with each area on track, but still showing room for improvement. The following data was shared:

- ELA, Math and Science Assessment for Spring 2025, compared to 2024 and 2023
- Reviewed the Timeline for K-8 Curriculum
- Regent's Assessments Proficiency Results for June 2025
- OHS Graduation Data Comparison: 20-21 through 24-25 (80% target and we are currently at 82%)
- Chronic Absenteeism Rates (Absent 10% or more of enrolled days), although the District shows improvement, there is still work to be done. Absenteeism is not specific to OCSD, this is a state-wide conversation. We have a Family Engagement Counselor, two attendance officers, a Social Worker, SRO, administrators doing house visits, and staff making phone calls to the home, along with Cattaraugus County Home School Liaisons.
- OCSD MTSS and Data Teams continue to refine and embed these program resources daily throughout the district.
- The District continues to recruit and work on retention of highly qualified staff, mentoring, coaching, and providing instructional consistency.
- Financial Stewardship - responsible fiscal management.

- SEL Supports and mental health partnerships, positive behavior frameworks, and continues to focus on equity, belonging and school climate.
- Identified challenges and focus areas for next year, as there is one more year in the lifespan of this Strategic Plan.

3) Applications have been sent out to upcoming juniors and seniors for the next round of Student BOE members. They are due the first week of May.

The BOE thanked Dr. Morris for her work and support of the Curriculum Director for meeting the task that were charged to her upon arrival of updating curriculum.

B. Budget Presentation - Jenny Bilotta, Business Administrator

- Audit & Finance and Administrators has been working on this since October,
- Although there is still no state budget, but the District is prepared and feel that the current proposed budget can align with the State Budget.
- The goal was to build a resonsible budget with the least impact to taxpayers while maintaining student programming.
- Budget will increase by $943,759 (1.63%) increase overall with no increase to the 26-27 tax levy.
- Total budget amount is $58,920,000
- Expenditures were reduced by $2.9 million. Positions will not be filled through attrition - no positions are being cut, no one is being laid off. As people leave, the District is assessing the need for the position.
- 9:1 student to staff ration is very low. Enrollment is down.
- Jenny Bilotta explained how staffing will be arranged to cover positions.
- Foundation aide is projected to increase by $1.6 million.
- If the state final adopted budget gives the District more aide than anticipated, it will be reflected in the reserves. We cannot increase the budget after it is approved by the board tonight.

*Reminders for taxpayers as they prepare to vote on the budget:

- Voters approve the total amount of money; but, with the exception of capital budget line items, budget transfers can be completed thought the year.
- The District plans for particular expenditures in the budget, but that doesn't mean that it's necessarily spent on that spcific items.
- The voters do not approve revenues, only expenditures.

The BOE thanked Jenny for her hard work in aligining the budget while still presenting it to the taxpayers with no increase in today's economy.

8. DISCUSSION ITEMS

A. Policy Review

Policy #3272 - Advertising in the School and Policy #5634-Honorary Naming/Renaming Facilities

Both of these policies have been reviewed by the appropriate committees, updated, and reviewed by the attorney to be sent to the BOE for approval.

9. COMMITTEE CHAIR REPORTS

A. Audit & Finance Kevin Stevens, Chairperson, noted that Jenny Bilotta covered the budget discussed at the Audit & Finance Committee minutes, but explained the Auditing RFP.

B. Mary Hirsch-Schena, Chairperson, reviewed the minutes of the 3/31/26 Buildings & Grounds Meeting.

Follow up: Phase I of Capital Project was approved and the WW Playground and security film on all windows except EV will be done this summer (2026).

C. Aubree Malick, Chairperson, shared the minutes of the 4/15/26 Curriculum Meeting.

D. Alex Calbi, Chairperson reported on the 4/20/26 Operations Minutes.

Mary Hirsch Schena added to the discussion regarding Sports Banquets noting that the Music Boosters have 35 seniors attending the Music Banquet and they ask partents to pay for a portion of their dinner, but the students are not charged.
