Reports:

Superintendent: BBI Pines school district with interview of Michelle Reynolds in the St. Ignas News. State assessment completed. Millage voting on 5/5 occurring covering Career and Technical Renewal.

Teacher: It has been a busy and eventful month with challenging weather, spring break, and the wrap-up of the third quarter. This winter, we used 5 of the 6 allotted snow days. My student has been working hard on a variety of skills and topics, including prefixes and decoding new vocabulary, prime and composite numbers, thermal energy, shape patterns, how humans modify the Earth, proper punctuation, and how the Earth's temperature has changed over the past 150 years. We also celebrated our learning successes, discussed current events, practiced fire and tornado drills, and enjoyed learning about the moon by watching the Artemis II astronauts. We may have the opportunity in May to visit the Garland school with Tahquamenon Area Schools. As the weather continues to warm, we look forward to taking advantage of learning opportunities outside the classroom. I am hopeful that the coming weeks bring fewer April showers and more spring flowers.

Parks Committee: The BBI Foundation contact made to assist with possible grant information and available funds to increase the finding level for the tennis courts, etc. Also discussed were looking at possible fundraising options.

MICIP: Ms. Beson reported that the committee met 4/10 with it being a very positive meeting.

Old Business: NEOLA second reading. Linda Wells made a motion to approve the NEOLA changes/updates as read. Supported by Jim Gilligan, All in favor, none opposed.

New Business:

Proposed 2026-27 budget. Linda Wells made a motion to approve the 2026-27 EUISD Budget as presented. Supported by Jim Gilligan. Roll Call vote: Ayes: Devlin, Gilligan, Wells. None opposed. Absent: Navarra, Radala. Motion carried.

Security Enhancement. Duo Mobile application needs to be installed on personal smart phones. The ISD will update the system beginning of next week. The ISD Tech Support is available to assist with installing application and navigating process.
