- ✓ Our counselors are dedicated professionals who are certified teachers, are working on their teaching degree, or are pursuing a degree in the course of their designation. All of our counselors are college students or college graduates, and must undergo extensive training and background checks.
- ✓ Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!
- ✓ All of our counselors, nurses, and CITs are highly motivated and are excited to provide your child with an awesome experience in camp by showing their love of the content of the session while giving them personalized attention!
- ✓ Each class has a minimum enrollment of 10 campers. If this minimum is not met, we will notify you and provide you with alternative classes for you and your camper's selection.
- ✓ Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!
- ✓ We are a completely NUT FREE camp and ask for the safety of all our campers and staff, that you do not send your child to camp with any nut products.
- ✓ Because we understand the mornings can be busy, we offer hot lunch and a snack bar open daily for your convenience. We also have a lunch bunch option for morning sessions of camp for a minimal fee, where your child receives lunch including a snack while they are at camp!
